Demand Escobar Meet Morgan Again

DETROIT, Mich.— (U.P.) —Frank MacDonell, chairman of the Michigan state athletic board, asked the National Boxing Association today to require Bantamweight Champion Sixto Escobar to defend his title against K. O. Morgan. MacDonell in a letter to NBA officials said Morgan's victory over the champion Tuesday night made him the "outstanding challenger for the bantamweight title." He added that he believes Escobar should defend the championship against the Detroit fighter before he engages in another match.

Freddie Lindstrom Is Given Release

JERSEY CITY, N. J.—(U.P.)—Freddie Lindstrom traveled towards his Chicago home today, his brilliant baseball playing career apparently at an end. The once famous star of the New York Giants and of the Brooklyn Dodgers had trained this spring to play with the Jersey City club of the International league.

Pure Home Talent Loop Opens with 35 Entries

By JOE DOMMERSHAUSEN

Complete and final organization for the 1938 campaign, which opens in exactly nine days, was made by Pure Home Talent baseball league officials during the past two days and today 35 teams, six from Madison and 29 from villages and towns in the Madison trading area, are set for the banner season of the league's 10-year history.

League play will get underway on May 1 when competition in the Madison division opens with three games. Play in the rural sections—the Northern, Eastern, Southern, and Western groups—will start on May 8. All five divisions will wind up their schedules on August 14, however, and the sectional champions will then engage in the post-season series for the championship of the entire league, now held by Waunakee.

Several major changes and new setups were made in the league at two meetings this week. Meeting in the Madison recreation department rooms and The State Journal office Tuesday night, league officials laid down plans for the Madison section as well as drafting new schedules for the rural divisions. Conrad A. Lewis, president; Jacob W. Starry, vice-president; and Selmar C. Skaar, secretary-treasurer, were the league officers present for the meetings.

Six in Madison Section

Six teams were given franchises in the newly formed Madison section Tuesday night but the schedule for the season had to be held up because of the possible entrance of a seventh Capitol City nine. The seventh team cancelled its franchise application Wednesday night, leaving six teams in the Madison division, namely Penn Electric Shop, Simon Pures, Bowman Dairy, Wrend Builders, Camp Madison, and the Gardner Baking company teams. In reality the Gardner Baking company entry will be the former Syene team.

Three diamonds were authorized by Harry C. Thompson of the recreation department and James G. Marshall, city forester, on which the Madison teams can play their games. Intramural, Franklin, and Burr Jones fields were named the diamond sites available in addition to a diamond at Camp Madison and possibly Breese Stevens Field. In several instances twin-bills were scheduled for the teams.

League officials were forced to draft new schedules for each of the four rural divisions as a result of Brooklyn's entrance into the league and the kick-backs on the divisions of teams made last week. As a result the previous schedules, printed in The State Journal on April 13, were nullified.

Schedules Changed

Brooklyn was given a franchise to play in the Southern section. Meanwhile, McFarland was taken out of the Southern section and placed in the Eastern sector to replace North Leeds which was transferred from the Eastern group into the Northern. York Center was taken out of the Western division and placed in the Southern. As a result of these transfers, the Northern and Southern sections will campaign with eight members each, the Eastern will have seven competitors, and the Western section will play with only six teams; in addition the Western section will have four open dates besides the July 3 date on which the league All-Star game will be played.

Via these new schedules the Northern and Southern division teams will each play 11 games, the Eastern teams will play 12 games, and the Western clubs will play only 10 games each. The teams in the new Madison section will each play 15 games; that is, they will meet each other three times.

The 35 teams given franchises for play this season constitute a record enrollment for the league. Last season 30 teams held franchises although only 29 actually played; Verona failed to play a game but retained membership. Brooklyn played Verona's games last season as a non-league team and consequently was given a franchise this year without hesitation by the league officers. The official 1938 schedules are released today and will not be changed; they are:
