HOW TO GET A $100 LOAN WITHOUT ENDORSERS

You can borrow $100 if you can pay back $6.43 a month—See table for other loan plans—No credit questions asked of friends or relatives—Quick, private service.

YOU can get a personal loan—without red tape or delay—if you can repay in monthly installments. All you do to apply for a loan at Household is to acquaint us with your problem. You need no bankable security—no endorsers or guarantors.

You may repay your loan on any of the schedules shown in the table below. Thus you may choose the payment plan which best fits *your* own needs and income.

Payments to fit your purse

Suppose that you need a $100 loan. You find this amount in the first column of the table. Then read across picking out the monthly payment which you wish to make. You will see, for instance, that monthly installments of $9.77 each will repay a $100 loan in full in twelve months. Or, $6.43 a month for twenty months will also repay a $100 loan.

You will note that the sooner you repay the less your loan costs. Four monthly installments of $26.60 each, or a total of only $106.40, for instance, will repay a $100 loan in full.

Same rate to everyone

Installments shown in the table repay everything. These installments include charges at Household's rate of 2½% per month on that part of a balance not exceeding $100, 2% per month on that part of a balance in excess of $100 but not exceeding $200, and 1% per month on any remainder. Household has only this one rate—the same for everyone, whether new customer or former borrower.

Simple to borrow

You get your Household Finance loan in a simple, private transaction. We require no stocks or bonds, no salary or wage assignment. (Loans are made on furniture, car or note.) You are spared the embarrassment of asking friends or fellow-workers to sign the loan papers with you. And no questions regarding your credit are asked of friends or relatives.

Considerate treatment

You may expect every consideration in case of sickness or unemployment while paying on a Household Finance loan. Last year we fo
