Like Kate Smith, one of Wynn Murray's early ambitions was to become a dancer. And also like the Songbird of the South, the Pennsylvania lass now featured with Fred Allen found singing a more promising career. Miss Murray is pictured here.

Prison Blast Laid to I. R. A. Escape Plot

DUBLIN—(U.P.)—A violent explosion occurred in Dublin's Mountjoy prison during exercise period shortly before 4 p. m. Sunday. It was believed to have been an unsuccessful attempt by members of the outlawed Irish Republican Army to escape.

The explosion, heard throughout the city, was in an unused workshop adjoining the prison wall. The extent of damage was not revealed. Authorities said no one escaped.

It was believed the explosion was caused by gelignite, probably smuggled into the prison in cakes by visitors.

The prison, recently taken over by the military, contained a number of I. R. A. suspects arrested during a recent roundup.

Tony Wons, who retired from radio a few years ago to make violins in the seclusion of his Wisconsin farm home, returns to the air Oct. 29 with a new edition of Tony Wons' Scrap Book, to be heard Sundays, Tuesdays and Thursdays over WMAQ, Chicago. If the program clicks, the sponsor will send it network at the end of 13 weeks.

Russ Morgan, former baloneer of "Johnny Presents," will be among the guests on Mort Lewis' new "Fun With the Famous" series over the NBC-Blue network Oct. 24.

Starting date of Barry Wood on "Hit Parade," replacing Lanny Ross, is Nov. 4.

Rudy Vallee definitely joins the Charlie McCarthy hour for four weeks beginning Nov. 12, batting for Don Ameche and Nelson Eddy, the former leaving for a vacation and the latter bowing from the show because of heavy concert schedules.

Damon Runyon's popular "Ethel and Joe" column may bob up as a radio serial with Block and Sully in the title roles.

Three Rochester symphonic orchestras are set for 85 broadcasts over NBC this season, giving the network one of the heaviest schedules of classical music broadcasts in recent years.

Joe Penner, disregarding doctor's orders, did his last week's show with a fever of 103. Immediately after the broadcast he was rushed to the hospital for observation.

Several major programs will emanate from Philadelphia's Convention hall during the annual auto show there. They include Horace Heidt's "Pot O' Gold" airing of Oct. 31 and Col. Stoopnagle's Oct. 27 broadcast.

The Drane sisters, concert violin duo, turned down four bids for November concerts in New York. They're going on tour with Horace Heidt's "Pot O' Gold" orchestra next week.

Goodland Denies He'll Be Coalition Candidate in '40

FRANKSVILLE, Wis. — (U.P.) — Lt. Gov. Walter S. Goodland Saturday night denied rumors that he might be a coalition candidate for governor next year.

"Under no condition will I be a candidate for governor if Gov. Heil seeks reelection," he said, **"and neither will I consider any proposal to run as a coalitionist.**

"If there should be a statewide request that I run on the Republican ticket I would consider it, but I'm not going out to build up a following."

GRAMP *gets grumpy when you call him an "old man." Says he doesn't feel a day over 35.*

But Gramp has a cane to lean on. Not the gold-headed one his boss gave him when Gramp retired last year. The cane he leans on is life insurance. Gives him a regular monthly income as long as he lives; he is not dependent on anybody.

★ ★ ★

Did you ever wonder how much people really *get* out of life insurance? They were benefited, in various ways, by over two and one-half billion dollars last year. But let's look at just one special group of people:

Life Insurance in Action

To defend and protect the U. S. and all its possessions the Government paid out about *one billion dollars* for all branches of national defense last year.

***To defend and protect American homes,* the life insurance companies met *one and one-third billion* dollars in 1938 in death claims, annuities, endowments and disabilities . . . *enough to give a million families $100 every month in the year.* There was still *another* $1,200,000,000 in various other kinds of life insurance benefits last year.**

About a million people drew monthly incomes, collected endowments or received disability income from life insurance companies last year. How much did the million get? About 475 million dollars or about 70 million dollars more than the cost of the entire U.S. Army for the year!

Through his foresight in past years, Grandpa is one of this million. He and Grandma are very good examples of life insurance in action. They had protection for the family while the children were growing up. And now they have *security* for their own old age. "And I didn't have to die to win," says Gramp.

There are competent and well-trained representatives in every community to explain the benefits of life insurance. Let your agent discuss your individual needs with you.

Today's Harvest from Yesterday's Foresight

THE HAYRIDE

A winding country road under a harvest moon, the night air scented by new-mown fields, and a merry party on a hayride—it was a good old American custom a few years ago.

The hayride is seldom seen nowadays. Times have changed and the old country road has been streamlined into a super highway. But there is one thing that hasn't changed—the keen sense of enjoyment that built up such delightful customs as the hayride.
