Sauk City, Arena Fight for 3rd Place

Sauk City battles Arena for third place and Spring Green meets Mazomanie for cellar honors in the only games billed in the Tri-County high school league's football campaign this week.

Both games were to be played today, the Sauk City-Arena battle slated to be played at Sauk City tonight while Mazomanie was scheduled at Spring Green this afternoon.

Lodi, assured of at least a share of the title, plays at Middleton tonight in a non-league tilt. If Sauk City upsets Prairie du Sac in their annual league battle Nov. 10, Lodi will gain undisputed honors; a Prairie du Sac victory will give it a tie for the championship, however.

◇ ◇ ◇

Clarence Kopan, Lodi, cinched the league individual scoring crown last week by scoring 25 points in his team's 33-7 win over Sauk City. Kopan has a 28 point advantage over his teammate, Gordon Tucker, and a 30 point lead on Al Schlough, Arena fullback. Statistics:

Who's Who Among Wisconsin Birds

The Wood Thrush is an abundant summer resident in the deciduous woodlands of southern Wisconsin and has extended its range northward in the state where hardwoods have replaced evergreens.

The Wood Thrush nests from the southern border of the coniferous forests in the northern tier of the United States and in Ontario south to the Gulf states. It winters in southern Mexico and Central America and occasionally in Florida.

This Thrush is somewhat smaller than the Robin, and can be told from the Veery by larger size, brighter upper parts, especially on the head and by the dark spots below. It is smaller than the Thrasher. It is white below with conspicuous round, dark brown or black spots. The back is a bright in color.

Its food is about two-fifths vegetable, such as berries, rose-hips, and seeds. The rest is animal matter such as beetles, caterpillars, ants, flies, grasshoppers, spiders, snails, etc. It is ranked as a beneficial bird that should have full protection.

The nest is a rather large, untidy structure, 5 to 20 feet up in a crotch of a small tree or sometimes on a horizontal limb of a large tree and is built of mud, grasses, weed stems, leaves, and strings and rags if available.

TOM RIPPE

Tom Rippe, son of Mr. and Mrs. Russ Rippe, 2321 Kendall ave., is one of two juniors who has been elected acting captain for a game by his mates on the Wisconsin high school football squad. Tom captained the Preps against Stoughton in the final game Monday night.

Rippe is six feet tall, weighs 150 pounds, and is 16 years old. He has another year left and should pick up considerable weight before next fall.

Tom is an excellent punter, a fair passer, and good blocker. He played end a year ago, but was placed at quarterback this fall to take advantage of his blocking and field generalship. This is Tom's third year on the squad and second as a letterman. He was a regular forward in basketball last year.

Sparta, Baraboo to Play Only Tilt in South Central

Competition in the South Central high school conference football race will be concentrated in one game this week. Sparta and Baraboo will meet at Baraboo Friday afternoon with the winner retaining a slim chance of tying Richland Center for the championship.

Richland Center clinched a title tie last week by defeating Portage, 15-7, and needs only a win or tie at Reedsburg Nov. 11 to win the undisputed title. The winner of the Sparta-Baraboo game can only tie for the title if Richland Center loses to Reedsburg.

Sparta and Baraboo are tied for second place with two wins and a loss each. Richland Center, undefeated in six games this season, has four conference wins.

Although idle last week, Capt. Earl Jefferson, Sparta, retained the individual scoring lead with 25 points as Loren Marshall, Richland Center fullback, scored only one point against Portage.

Monroe is at Portage tonight in a non-conference game. Tomah plays an alumni eleven Friday afternoon. Conference scoring figures:
