The activities of foreign spies cause a series of thrilling events in "The Marines Come Thru" the comedy-drama of Uncle Sam's seagoing soldiers at the Lyric with featured roles in the hands of Wallace Ford, Toby Wing and Grant Withers.

The story deals with the efforts of foreign agents to steal the plans for a new bomb release, and the action takes place against the back-ground of the government's Opa Locka Marine Airport in Florida. Facilities of the base were placed at Astor's disposal for the filming of the picture, constituting the last such operation before the outbreak of the war.

In addition to Ford, Miss Wing and Withers, the cast of "The Marines Come Thru," includes Sheila Lynch, Michael Doyle, Don Lanning, Frank Rasmussen and Thomas McKeon. George A. Hirliman produced, with Louis Gasnier as director.

"Dixie Dugan" goes gallivanting in war-time Washington in her first screen comedy, which is now showing at the Lyric theatre. The comic strip heroine is played by Lois Andrews, beautiful former Broadway showgirl and herself a newcomer to pictures. Featured in the film are James Ellison, Charlotte Greenwood and Charlie Ruggles.

The Air Service Command has more personnel, warehouse space, and is handling more material than the world's largest corporations.

MOTHERS SEEK MORE NEWS OF MISSING SONS

KANSAS CITY, Oct. 12 — (AP) — Forty silent men and women—the parents of the missing—crowded into the little home of Mrs. Ralph Herrick, to share their sorrow and to search, together, for new hope.

Most of the women gripped tightly the worn and crumpled "missing in action" telegrams from the War department—the messages that had lined a dull, eternal weariness into their faces.

Mrs. Herrick had called them together in the hope they might jointly appeal to the War department for more information.

"We are living in the stillest silence," she said. "We only want the truth . . . We think a way can be found to tell us more. It's the waiting and not knowing that hurts . . . We are the forgotten mothers."

She listed 127 Kansas City boys about whom no additional official word has been received, and the meeting approved a suggestion the list be sent to Missouri's congressional delegation, to the Army and Navy, the Red Cross and the Y.M.C.A.

Mrs. Herrick said she thought it would be nice if they prayed together for their boys.

Forty heads bent, almost silently.

There was only an occasional sob.
