Indianapolis Symphony Tonight to Feature Bloch, Sibelius Works

Marian Francis, pictured here, is radio row's leading enthusiast for the new matching game, "Contack," and teaches it to other radio performers when she isn't singing with Frankie Masters' orchestra. She introduced Masters' latest hit, "Scatterbrain," an overnight radio success.

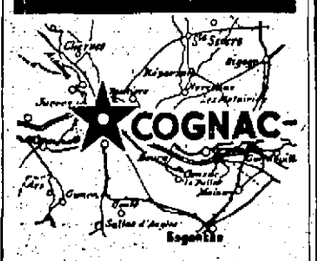
Interesting facts about ★★★ HENNESSY COGNAC BRANDY



All brandies are not Cognac . . . only those produced from grapes grown in the legally-defined Cognac region of France may be rightfully called Cognac. Three-Star Hennessy is genuine Cognac Brandy. Enjoy its quality, bouquet and "clean" taste . . . as liqueur . . . in Hennessy-and-soda.

Would a Maestro Like Your Radio

A true musical expert, unaccustomed to your particular radio set, could tell instantly if its tonal quality were marred by defects.

Even an expert, listening constantly to a radio, won't immediately detect its loss of efficiency. Since radio ills develop so gradually that the human ear becomes accustomed to them, the sure way to get quality performance is to have your radio checked by an A. R. T. expert every six months.
