Producers Ask 1 Cent Increase for Swiss Cheese

MONROE—A committee representing southern Wisconsin Swiss cheese producers late Wednesday recommended an increase of 1 cent a pound for each grade of Swiss cheese as compared to the prices the producers asked last month. The recommended scale is for June-made Swiss:

State Brand A, 22 cents a pound; State Brand, 21 cents; Wisconsin C, 19; Wisconsin No. 3, 16½ cents; Grinders, 15 cents. This is an increase on each grade. Dealers paid the prices recommended for May made Swiss in most cases.

The producers committee in asking for the increases said holdings of Swiss cheese are lower than they were a year ago and holdings have been decreasing the last month. The committee also said brick and American cheese have advanced in price and imports of foreign Swiss have fallen off.

The price asked by producers for July made limburger the same price as was paid last month.

Rio Men Hurt in Auto Collision

RIO—George Hendrickson and Leonard Johnson, Rio, and Merrit Safford, Oshkosh salesman, were recovering today from injuries suffered Tuesday night when Hendrickson's auto, driven by Johnson, collided with the Safford car on Highway 16 about five miles west of Rio. They were taken to the Portage hospital.

Miller Bats Lead AA Stars to 5-3 Win Over Blues

KANSAS CITY, Mo. — (U.P.) — Speaking of that low-down feeling spread thick over the Kansas City Blues today, the Minneapolis Millers rejoice in the belief that it was all their doing.

Naturally, the other clubs in the American Association might be expected to take some satisfaction in the league-leading Blues' 3 to 5 downfall in the seventh annual all-star game Wednesday night.

But it was revenge to the Millers—proof that the five-game difference between them and the Blues is just the result of a slump.

"Did you see who beat 'em? It was Minneapolis players," chortled Tom Sheehan, manager of the Millers and the all-stars pilot.

From that observation, Sheehan progressed to the pennant, a matter even closer to his heart.

"We've just been in a slump," he said, **"and it looks like we came out of it tonight. Now watch us go."**

Sheehan was speaking of his players, Huck Geary and Bob Estalella, who sewed up the game for the all-stars in the eighth. Geary singled and Estalella hit safely through infield. Phil Weintraub of Minneapolis flied out, but John Lucadello of Toledo walked to fill the bases. Al Wright, veteran Minneapolis outfielder, hit a long drive through center field scoring both Geary and Estalella.

Bob Logan of Indianapolis started on he mound for the all-stars, but Art Herring of St. Paul relieved him in the fourth. Harry Drechen of Columbus had to finish pitching the game. Ernie Bonham and John Lindell pitched for the Blues. The all-stars got the best of the hitting 10 to 5. Box score:

It was the second successive shutout for hurler Bob Schremser. Second-place Superior, meanwhile, lost ground as wet grounds forced cancellation of a game with Fargo-Moorhead.

Wausau won an 11-inning battle from the Winnipeg Maroons, 8-6. Crookston converted 10 hits into 10 runs as Eau Claire was able only to make three of its 12 blows count.

Streamlined Army Can Train Soldier in One Month

AYER, Mass. —(U.P.)— Streamline army training methods now can turn out a soldier in a month —completely trained as a Garand rifleman—according to Col. Harold R. Duffie in charge of the corps area service command of Ft. Devens.

"We are virtually convinced by work here that it is practical to take a raw recruit and make a soldier out of him in a month, where previously it required three months," he said.

Col. Duffie admitted that such training would not include such specialties as machine-gun operating, since such a soldier "must be almost a specialized mechanic."
