WHEN SLEEP WON'T COME AND YOU FEEL GLUM

Try This Delicious Chewing-Gum Laxative

● When you roll and toss all night—feel headachy and just awful because you need a laxative—do this . . .

Chew FEEN-A-MINT—delicious chewing-gum laxative. The action of FEEN-A-MINT's special medicine "savours" the stomach. That is, it doesn't act while in the stomach, but only when farther along in the lower digestive tract...where you want it to act. You feel fine again quickly!

And scientists say chewing makes FEEN-A-MINT's fine medicine more effective—"readies" it so it flows gently into the system. Get FEEN-A-MINT at any drug counter—25¢, 50¢ or only . . . . 10¢

JAYNE'S P-W tablets KILL PIN-WORMS

(You may have them and not know it)

Fidgeting, nose-picking and a tormenting rectal itch are often telltale signs of Pin-Worms . . . ugly parasites that medical experts say infest *one out of every three* persons examined. Entire families may be victims and not know it.

To get rid of Pin-Worms, these pests must *not only* be killed, but killed in the large intestine where they live and multiply. That's exactly what Jayne's P-W tablets do . . . and here's how they do it:

First—a scientific coating carries the tablets into the bowels before they dissolve. *Then*—Jayne's modern, medically-approved ingredient goes right to work—*kills* Pin-Worms quickly and easily.

Don't take chances with this dangerous, highly contagious condition. At the first sign of Pin-Worms, ask your druggist for genuine Jayne's P-W Vermifuge . . . the small, easy-to-take tablets perfected by famous Dr. D. Jayne & Son, specialists in worm remedies for over 100 years.
