Outstanding Stars Will Be Heard On Patriotic Program

"This Is War" At 7 P. M. Saturday To Feature Fredric March, Douglas Fairbanks, Jr., Kurt Weill And Norman Corwin

Fredric March, Douglas Fairbanks, Jr., Kurt Weill, Norman Corwin and the men of the United States Navy combine Saturday at 7 p. m. over all networks to present the third broadcast of the series, "This Is War."

"Your Navy" is the title of the program, written by Anderson, and starring March and Fairbanks. Weill has composed the musical score and Corwin will direct, with the program a dramatization of the great world-wide tasks and assignments confronting our fighting men and ships, and the glorious tradition which is no small aid to this branch of the armed forces.

Changing title to accord with the rising tide of U. S. sentiment, "Air Youth for Defense" is to become "Air Youth for Victory" Saturday at 4:30 p. m. over WEAF.

The drama and comment series is presented jointly by NBC and the National Aeronautic Association's Air Youth Division.

As a nation at war prepares to enact measures to insure health standards in industrial boom towns, "Doctors at Work," the American Medical Association series, will dramatize the necessity of immunization and inoculation of factory workers and school children in its episode Saturday, at 5:00 p. m. over WEAF.

NOTICE!
TO AUTOMOBILE OWNERS
Mr. E. H. Rehn, 1071 W. Spring St., repairs automobile engines of all makes. Since it is impossible to buy new cars, you are entitled to have your old one repaired to run like new. It will last you a long time, if you have the work done by a first class mechanic.
My carburetor service is known in Lima and surrounding territory, and the same workmanship can be obtained in motor repair. I have had 32 years experience and there is no experimenting.
It will be well for the public to investigate the mechanical ability of the man they allow to repair their car at the present time.
