MAKING MADISON A BETTER COMMUNITY

THANKS TO ALL!

THANKS— for giving our Madison youngsters a bright new world through your gift to the Community Chest. It means that every child will be able to do the things normal youth should do. It means that the Scouts, the Y's, Neighborhood House, East Side Activities Council and other Red Feather youth services can continue their programs for another year. It means that children can go to camp next summer.

THANKS— for keeping Madison's children smiling. Your gift through the Community Chest provides loving care for children whose homes are broken and gone. It will keep our children healthy and strong. It will send our juvenile delinquency records down. It means that Family and Children's Services will again provide adoption and foster home placements, family and personal counseling.

THANKS— for assuring a healthy and happy community in which to live. Your gift to the Community Chest will provide Visiting Nurse Service, child health centers, hospital care, legal aid, mental health guidance to everybody in Metropolitan Madison.

THANKS— for strengthening democracy. Your Community Chest contribution has shown that you are willing to assume a sense of responsibiilty for what happens to other people in our community. And when democracy is strengthened, everybody benefits.
