YOUNG PRIESTS DRAFTED INTO HUNGARIAN ARMY

FRANKFURT Germany, Sept 19 (AP) Communist Hungary is drafting young Catholic priests for military service, Hungarian refugee sources here reported today.

They said the order called up all priests under 35 years of age for duty in the army. The informants gave this picture:

Catholic orders are being dissolved and monks and nuns put under constant police supervision. Many have been sent to forced labor camps.

Military activity in the Soviet satellite is on the increase.
