Prof. Richard C. Church of the University of Wisconsin music school will have almost 600 students under his baton when he conducts two movements of Mahler's "Resurrection" symphony tonight.

The University Symphony orchestra, of which he is conductor, the combined University bands, and the massed University choruses, with two soloists, will present the fourth and fifth movements as the climax of the concert which will bring the music school's centennial music festival to an end.

The concert will begin at 8 in the university stock pavilion. It will be open to the public without charge.

The bands, of which Emmett Sarig and Robert Fleury are conductors, will open the program with a Bach choral prelude, "In Dulci Jubilo," then will play Haydn Wood's "Frescoes Suite."

The choruses, which are directed by Bjornar Bergethon, Helene S-Thomas Blotz, and Paul Jones, will sing "In Praise of Music," by Purcell, as transcribed and edited by Max T. Krone, and Harl McDonald's "Songs of Conquest." Jones will conduct the Purcell work and Bergethon will direct the McDonald number.

Soloists in the Mahler symphony will be Jeanne Zischke, soprano, and Ruth Kienholz, contralto.

The committee in charge of the festival, which opened Sunday, consists of Leland A. Coon, chairman; Mrs. Blotz, Church, Leon L. Iltis, and Jones.

GRIEG CHORUS: G. L. Stubkjaer, tenor, and Osvald Berntsen, baritone, will be soloists at the Grieg Male chorus concert at 8 tonight in Central high school auditorium. They also will sing a duet, "Meditation."

State Tree, Bird, and Flower Bill Passed by Senate

The senate Thursday passed and sent to the governor a bill establishing the sugar maple as the state tree, the wood violet as the state flower and the robin as the state bird.

Other legislative developments Thursday concerned:

DAY NURSERIES — A bill which gained preliminary approval in the senate authorizes the department of public welfare to license and set standards for day nurseries.

OCCUPATIONAL DRIVER'S LICENSE — The senate passed a bill requiring proof of financial responsibility before driver's occupational licenses can be issued. They reconsidered a vote by which the bill was killed Wednesday.

ICE MILK — The upper house killed a bill which would have rewritten the definitions of milk sherbert and fruit ice and allowed the use of ice milk instead of ice cream under certain conditions.

MISSISSIPPI NETS — A bill establishing higher license fees for nets in the Mississippi river also was passed by the senate.
