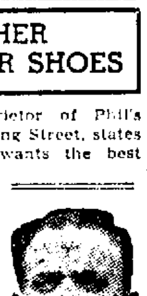
PRIME LEATHER BEST FOR SHOES



Phil Barbato

Phil Barbato, proprietor of Phil's Shoe Hospital at 223 King Street, states that, "When anyone wants the best wearing half soles put on his shoes, he should ask for 'prime leather.' This material is the very best for working and dress shoes and will give much better service than lower grades of leather." Mr. Barbato is an expert at every type of shoe repair and refinishing. You will be amazed at his ability to make an old pair of shoes look like new. He is equipped to scientifically lengthen and widen shoes.—Adv.
