MACHINERY FOR AIR RAIDS SET AT CENTRAL HIGH

Instructions As To What To Do In Emergency Are Given To Pupils

By JUNE WIDNER

Air raid directions for Central high school have been given to the home room teachers. There are two kinds of air raid drills.

The first one is the intermittent ringing of the fire bell-three rings, pause; three rings, pause; etc. Upon hearing this bell, pupils and teachers are to go immediately to refuge stations in the building.

The second type of drill is the intermittent ringing of the clock bell, which is much lighter than the fire bell and signals the change of classes. Upon hearing this bell, if the weather is bad, students are to go directly to their lockers, get their coats, leave the building immediately and go directly home, school officials explained. If the weather is suitable, students are to leave the building at once by the same routes as in a fire drill and go directly home.

Pupils who live within the city but at greater distances than can be reached in 15 minutes, are to proceed as far as they can until they hear the city air raid signal. Then they are to go immediately into the nearest residence or business house for shelter. Pupils who do not live in the city but who come in on the county buses will not leave the building on the second alarm but will go to the senior gymnasium and stay in the east end.

When the first air raid alarm is sounded, all fire control wardens, first aid wardens, and the junior wardens (student assistants) are to march out with the rest of the pupils in their rooms but to continue on to their regularly assigned posts of duty.

The continuous ringing of the clock bell will be the all-clear signal. When the city all-clear signal sounds after the building has been evacuated in compliance with the second alarm, students are to report back to school at the next regular session. If the drill occurs in the morning, students are to report back for the afternoon session; if it occurs in the afternoon, students are due back the next morning.

The air raid committee is as follows: Building inspector—Jim Sterling; fire prevention and control—E. L. Huber, H. C. Heffner, J. Donald Bradford, M. B. Stoner, Jim Sterling; messenger service—H. W. Scheuerman; first aid wardens—E. A. Hauenstein, Rex Settlemire, Garnet Sullivan, Mary Kirk, E. C. Ulrick, J. Zimmerman, Adelaide Sawyer, Gayle Howey, Mary Belle Linnell, Bob Schertzer; junior fire wardens—Bob McBeth, Bill Boden, Don Stearns, James Roberts, James Foulks, Albert Miller, Richard Foulkes, Tag Basinger, Bill Mauch, Larry King; messengers — Ralph Gaberdiel, James Parmenter, Gary Hill, Bob Cutter.

The following students are first aid wardens: Ann Alexander, Vivian Baber, Mary Frances Beasley, Joan Blum, Robert Bowman, Walter Bowman, Mary Ellen Newton, Tom Buchanan, Mary Evelyn Burnett, Audrey Canterbury, Glenna Clemens, Jack Davisson, Frances Edson, Patty Evans, Charlotte Haller, Dena Fillips, Lucille Forton, Don Gaugh, Evelyn Gerig, Charles Grady, Bill Haines, Rita Hoffman, Bettie Hume, Lois Jenkins, Elbert Kirkpatrick, Pauline Kruse, Mary Lytle, Dorothy Miller, Phyllis Miller, Nelda Mills, Marilyn Newcomb, John Pletcher, Rowland Rone, Art Vittur, Nick Vucovich, Margaret Watkins, Betty Widmark, Muriel Teitelbaum, Joan Thompson, Kathryn Turner, Helen May Van Wirt, Ruth Oberlin, Jack Sibold, Gordon Sherrick, Evelyn Schurr, Virginia Saeger, Janet Roberts, Delores Ring and Madeline Richards.

In order to keep the high school boys physically fit a pre-induction course was started Jan. 6 in the senior high gymnasium. The main purpose of the class, which is held every Monday and Wednesday is to keep the football players in training, and to toughen up the boys who are contemplating entering the armed forces as soon as school is out. All high school boys are eligible, however. Bob Shertzer, football coach, is the instructor of the class.

Dr. Richard Struna, formerly of Germany, lectured in the Open Forum program Sunday in the Central high school auditorium. The topic of his speech was "German Morale, How It Rises and Falls." The Central high school band under the direction of Harold O. Clark, furnished the musical part of the program.

James Kater Thompson, card manipulator, magician entertainer, and humorist, was the speaker at the lyceum program held in the auditorium, Jan. 11. In his demonstration talk, "Cheating Cheaters," Thompson carried a special table to show how gamblers who cheat work in various kinds of games of chance, such as cards, dice, and all types of machines.

Utility bags for the members of the armed forces who are in Sydney, Australia, were shipped Dec. 29 by the members of Central's Junior Red Cross. The bags were sent first to Alexandria, W. Va., and from there they were sent to Sydney by the members of the National Red Cross headquarters.

The schools of Allen-co were contracted to ship 100 bags but they topped the quota and sent 189. Other schools contributing to this project were South, Shawnee, Spencerville, Lafayette and Bath. The bags were made of denim and were 11 inches by 14½ inches. They were stitched by either home economics students or Junior Red Cross members. The Victory Book campaign will be the next Junior Red Cross project.
