TELEVISION: Comes this letter from Clarence J. Henning, Sauk City:

I noticed in your June 14 issue of The Journal that you record the longest distance received on television for the city of Madison as Boston some 925 air miles.

Just gaze at our reception list: WTVJ Miami, Fla.—3 times in week. WBKB Chicago, Ill.—Nightly and daily. WNBQ Chicago, Ill. — Nightly and daily. WTMJ-TV Milwaukee — Nightly and daily. KSTP-TV St. Paul, Minn. — Nightly. KMA-TV CP Omaha, Neb. — Once last week. WKY-V CP Oklahoma City, Okla. —Once last week.

All of these stations have been received clearly with both voice and picture, the Miami tone and pattern being the best we have ever received, including Milwaukee and Chicago, which usually are very good. This held clearly until we switched stations an hour later.
