Kate Smith Hour From U. S. Marine Base At San Diego

One Dozen Roses With Poison, Too, Featured Friday In "Adventures Of The Thin Man"

Once again, Kate Smith will "Tell It to the Marines," by visiting the Devil Dog training base at Camp Elliott, San Diego, Calif., to broadcast her Variety Hour with Ted Collins, Henny Youngman, Jack Miller's band and others over WABC Friday at 8 p. m. (EWT).

One dozen roses with poison in beside them are Nick and Nora's opening clue in "The Case Of The Slippery Noose," the episode of "The Adventures Of The Thin Man" for Friday (WABC, 8:30 p. m., EWT). It's Princess Wagan, nee Carol Conroy, an old school mate of Nora's, who receives the lethal bouquet to the accompaniment of a Wail of Death. Suspicion points to the Society of Thugs, a tribe of Oriental killers who follow the polite custom of wailing before murdering so as not to "surprise" their victims.

Eric A. Johnston, president of the United States Chamber of Commerce, will speak on behalf of the Second War Bond drive in a special broadcast Friday WEAF, 10:30 p. m., EWT).

"Nothing Serious," a couple of words meaning 25 minutes of pistol shots, screams in the night, corn-cob comedy and musical hot licks, will become a Friday feature along the WJZ airlanes starting Friday at 7:05 p. m., EWT.

Request day will roll up a wide assortment of tunes for "Reveille Roundup" listeners Friday (WEAF, 7:45 a. m., EWT), ranging from Western tunes to swing.

Fred Waring broadcasts his 1000th consecutive "Pleasure Time" program on Friday (WEAF, 7 p. m., EWT). All the songs will be chosen by the 26 former Pennsylvanians now in military service.

An ex-convict pulls what he thinks is the perfect crime on a lonely country road by robbing and murdering a bank messenger with no witnesses present during the "Gang Busters" program, Friday, at 9 p. m., EWT, over WJZ.

Brooklyn-born Patsy Kelly, long a favorite of millions of movie-goers, will exchange gags in a hilarious routine with Mickey Rooney on WABC Caravan show, Friday at 10 p. m. EWT.

The "Victory Parade of Spotlight Bands" for the first time will salute war workers who are taking 10 per cent of their salaries in war bonds when the program will emanate from the Harrison, N. J., plant of the Radio Corp. of America, over WJZ, on Friday, at 9.30 p. m., EWT. The program will feature the music of Gene Krupa and his orchestra.

Demonstrating the fighting spirit of the Cuban people, Gracie Fields will tell the story of an alert young Cuban boy who uncovered a Nazi plot to betray information concerning United Nations Naval units, on her "Victory Show" for Friday, at 10:15 p. m., EWT, over WJZ.

ERIE TRAFFIC SETS RECORD

CLEVELAND, April 16—(AP) — The Erie railroad reported today 34,141 road haul cars were loaded on line or received from connections during the week ended March 27, making it Erie's heaviest traffic week in the past 20 years.

The railroad said this was equivalent, during seven days, to 341 trains of 100 cars each, and in tonnage hauled compared favorably with previous peak weeks in 1929, when more cars moved but the load was about 20 per cent less than in this year.

SORDID MURDER DETAILS TOLD

ALBANY, Ore., April 16 — (INS)—Cross examination of new state witnesses continued today in the murder trial of Robert E. Folkes, Negro dining car cook accused of the knife slaying of Mrs. Martha James, as she lay in her berth of a Southern Pacific sleeper last Jan. 23.

The story of the death agonies of the 21-year-old Navy bride emerged in gruesome detail, as new testimony substantiated that of Marine Private Harold Wilson that in the early morning hours he saw a man emerge from the berth of lower 13, where Mrs. James bled to death a few minutes later of a knife wound in the throat.

EX-RESIDENT RECOVERING AFTER FALL FROM A TRAIN

Word has been received that Carl Seaman, 25, a former resident of Lima, is in a Hamilton hospital recovering from serious injuries when he fell from a train a week ago.

Seaman, employed as a brakeman on the Baltimore and Ohio railroad, was injured near Hamilton, where he resides, and he was removed to a hospital in that city.

His wife, a former resident of Lima, notified her parents, Mr. and Mrs. Homer E. Mowery of 928 S. Main-st, of the accident.

Not until late in the 19th century did soap come into common use.

OPA MODIFIES MILEAGE RATION REGULATIONS

WASHINGTON, April 16 — (INS)—Motorists who can give a good reason for failing to have tires inspected within the time prescribed by the OPA will be able to qualify for gasoline rations under provisions of an amendment issued today modifying OPA mileage rationing regulations.

Effective April 22, the amendment also provides special gas rations needed to take a convalescent from the hospital or sanitorium to his home and extends restrictions on non-occupational boating now applied in the east and certain other sections of the country to 20 western counties in Idaho.

Under the provision allowing late tire inspections in justifiable cases, rationing boards are directed to issue gasoline rations, provided the tires were inspected and approved within 60 days before filing of the application.

The first inspection deadline for B and C ration holders was Feb. 28 while the last day for A book holder was March 31. OPA said that most motorists were able to have their inspections made before the deadline but said that because of personal emergencies some were not able to do so and should not be denied future gas rations as a result.

WASHINGTON, April 16—(AP) — Second Lieutenant Waldo E. Houf, U. S. M. C., Athens, O., who rescued a stranded pilot in the Solomon islands area last Nov. 15, has been awarded the Navy and Marine Corps medal.

The rescue, under hostile fire, was effected off Kokumbona Beach, the citation by Navy Secretary Frank Knox for President Franklin D. Roosevelt, said:

"Realizing no crash boats were available after observing the plane's plunge, Lieutenant Houf rowed thru a choppy sea in a two-man rubber raft, picked up the injured flier and brought him safely to the beach."

The citation said that Lieutenant Houf's "alert presence of mind and timely action undoubtedly saved the life of an officer who otherwise might have perished."

GENTLER TREATMENT FOR CONSTIPATION
If you suffer from constipation due to lack of "bulk", and have normal intestines, here are two things you ought to know about medicinal laxatives.
They work principally by working on *you* — prodding your intestines into action or drawing water into them from other parts of your body. A dose gives only temporary relief.
Treat such constipation by eating KELLOGG'S ALL-BRAN regularly. It works chiefly on the *contents* of your colon, getting at the *cause* and *correcting* it. Eat ALL-BRAN regularly, drink plenty of water and "Join the Regulars"! Made by Kellogg's in Battle Creek.
