RESINOL OINTMENT

STAY SHARP WITH PICOT

When you have partied too much the night before and you wake up feeling sluggish, help your system get a start with this pleasant-tasting effervescent laxative.

SAL PICOT

Often a sedative, although it will relieve your headache momentarily, will not get at the root of what may be the real trouble—faulty elimination. To feel sharp for more than just a little while, you must have proper elimination. Take SAL PICOT in cold or hot water, 20 minutes before breakfast. Notice it dissolves completely—goes to work faster. No waiting—no stirring. And then get a taste thrill when you drink SAL PICOT, the sparkling effervescent laxative with the wonderfully refreshing taste. A taste so pleasant you will hardly believe you are taking a laxative; an action so gentle you won't remember taking one. Enjoy your breakfast, and shortly after, you will be overjoyed at the prompt, gentle and completely satisfying action. Try SAL PICOT and see why we say:

STAY SHARP WITH PICOT*

PICOT priced for every purse. 25¢ to $1.75 at all Drug Stores. Also available in one-dose moisture proof metal envelopes.
