LOOKING AND LISTENING

# Huge Demands Being Made for Lanza Show Tickets

By TOM DANSON

HOLLYWOOD. With announcement that Mario Lanza would have his own show on CBS this summer (replacing Edgar Bergen-Charlie McCarthy), the general ticket office at Columbia Square has been stormed by requests for tickets.

If this demand is any criterion, the Lanza show is to be the biggest summer attraction radio has had in many years.

"We've had a number of requests from San Francisco, and even from Las Vegas, Nev., from people who want to plan week end trips just to attend the Lanza broadcast," reports Miss Muriel Horner, who is the supervisor of tickets in the Hollywood CBS studio building.

Not even the recent "Radio Theater" presentation of "Seventh Heaven," co-starring Janet Gaynor and Charles Farrell in their original screen roles, caused such a heavy demand for tickets.

Sad note in the whole story is that most of the Lanza fans will have to be disappointed, as there simply is no way to seat large audiences at studio broadcasts, and fire laws prohibit standing. The show makes its debut this coming Sunday afternoon.

CO-AXIAL LINES . . . The telephone companies are trying to figure out how to allocate network channels and times for all of the networks, when their microwave and co-axial cable lines are completed to the west coast this fall. The plan at the present time, calls for around four hours per week of time alloted to each network, as all of these lines, cables and micro-wave relays are owned directly by telephone companies. This cable line is a costly operation to install, and to lease. For example, the Los Angeles to San Francisco line is reported to cost around $2000 per hour to lease. It is predicted that many of New York's TV shows will move to Hollywood, when this line is in.

ON TV . . . Charlie's son Chuck graduates from high school on "The Ruggles" show tonight from KECA (7) at 7. . . . Ambitious youngsters vie for a chance for "Hollywood Opportunity" as emcee'd by Harry Babbitt, from KTLA (5) at 7:30. . . . Gracie Allen gets herself into a talking marathon when she meets an old girlhood friend during the "Burns and Allen" show from KTSL (2) at 8. . . . William Gargan again adeptly portrays Martin Kane, Private Eye, in another of these telenjoyable shows from KNBH (4) at 8:30. . . . It's Oakland versus Los Angeles in the KLAC (13) baseball telecast at 9. . . . And at 9:30, from KTTV (11), Art Baker again says "You Asked for It."

ON RADIO . . . Edward Everett Horton brushes with gangland during the airing of "Whistling in the Dark" from KNX at 6:30. . . . A special half-hour dramatic program starring Frederic March and Deborah Kerr will be heard from KECA at 7. . . . Gregory Peck will star in "The Gunfighter," a story about a celebrated desperado who wants to go straight during "Screen Directors' Playhouse" on KFI at 7. . . . Richard H. Pough, author of the "Audubon Water Bird Guide" will guestar tonight on the "Rod and Gun Club" from KHJ at 9:30.

SPECIAL TOMORROW . . . At 1 tomorrow afternoon, KECA will broadcast the 10th Annual Palm Beach Golf Tournament. Again on Saturday at 12 noon and at 2 p. m., and on Sunday at 4:30 and 9 p. m.

## CLEVER DOG

### Locked in, He Upsets Phone, Gets Help

WAYNESBORO, Pa., June 7. (AP) Buttons is a smart Dalmatian pup whose boss has taught him some pretty cute tricks.

But now he has come up with one strictly on his own.

Owner B. J. Roberts said it happened this way:

Accidentally locked in the furnace room which is fitted with an extension phone, Buttons knocked the receiver off the hook.

The operator, hearing only plaintive barks in response to her "number please," sent a man to investigate. The pup was freed.

"Maybe it was mere chance," said Roberts. "Still, he's a very clever dog."

# Let's Explore Your Mind

By ALBERT EDWARD WIGGAM, D. Sc.

**Answer to Question No. 1**

A scientific magazine says no. Unless you can measure a thing and say it is so big, so long, weighs so much or moves so fast, "you have no real information." Boy says, "Girl is sweet," but psychologists and chemists are now measuring her personality, health, charm, especially the "pH" (science measurer) of her blood, to tell just how sweet she is. "Boys and girls, go slow until you know each other's "pH."

**Answer to Question No. 2**

After monopolizing the discussion for five days at the recent Whitehouse Conference on Children and Youth, adults yielded the floor to the youngsters for two hours, and got some jolts. Arnulf Pins, Youth Advisory Council president said, "Our aims are simple. We want to work for responsible citizenship. We want to share the total concern of society." A 17-year-old girl said she "had learned, to her surprise, that adults are human and we can get along with 'em." A lot of us adults better take a tumble to ourselves.

**Answer to Question No. 3**

Amazingly so. Try the "Guess Who" game. Each child is given 40 or 50 statements such as "This person is always picking on kids who are younger and smaller." Guess who?" "This person is a show-off." "Guess who?" It is easy to tell the "accepted" and the "unaccepted" children, by the answers. Psychologists find by later study of each child that these pictures fit with astonishing accuracy.

WANT TO LEARN SELF-CONTROL? HOW TO MANAGE YOUR FEELINGS AND EMOTIONS is Dr. Wiggam's new illustrated booklet.

It describes clearly what happens to both your mind and body when your feelings and emotions conquer you and it also fully explains what you can do about it—how you can master your feelings and gain self-confidence.

This remarkable booklet is yours for 15 cents (in coin only). Address Dr. A. E. Wiggam care of this newspaper. Include a stamped (3-cent) self-addressed return envelope.
