Physician Turns Detective In Sigma Theatre Picture

A physician turns detective in the new Sigma theatre film, "Dr. Gillespie's Criminal Case," starring Lionel Barrymore and opening Wednesday. "The Girl From Monterrey" is the second feature. Concluding Tuesday are "Never a Dull Moment" and "Gildersleeve on Broadway."

A pictorial recording of the first step in the Pacific offensive, "Guadalcanal Diary" is currently offered at the Quilna theatre. Also presented is "Hoosier Holiday," full of hit tunes and comedy.

"A Lady Takes a Chance," brings together Jean Arthur and John Wayne at the Ohio theatre. Comedy honors go to Charles Winninger.

Top-notch entertainers of radio and screen combine their talents in "Here Comes Elmer" featuring Al Pearce and some of the members of his "gang" at the Lyric. Excitement prevails in the second attraction, "The Overland Mail Robbery."

The nurses who served so valiantly at Bataan are lauded in the current State film, "So Proudly We Hail," starring Claudette Colbert, "Paulette Goddard, and Veronica Lake. "The Kansan, bristling with cactus and gunfire, completes the double bill.

LYRIC

Altho she is widely renowned as "The Human Chatterbox," Arlene Harris did not speak a word until she was three years old!

Her parents, concerned, took her to the finest physicians who discovered she was deaf. A trip to Vienna, and a delicate operation cured the deafness, and from then on she started chattering at breakneck speed, making up for lost time.

A popular member of Al Pearce's "Gang", Arlene is featured with them in "Here Comes Elmer," playing at the Lyric theatre.

Co-featured is "Overland Mail Robbery."

EXCLUSIVE CLUB RESERVED FOR DEER HUNTERS

PORTSMOUTH, O, Dec 14—(AP)—The Shirt Tail club is Ohio's newest deer hunting organization, but membership isn't exactly the honor one might suppose.

Eligible for membership in the club, which has a large Pennsylvania chapter, are hunters shooting at but missing bucks during Ohio's first deer hunting season in 50 years.

A generous portion is sheared from the tail of new members' shirts and nailed to walls of the checking station in the Roosevelt game preserve as part of the initiation ritual, reports Win Kinnan former state fan manager, who holds the office of the club's chief cutter.

Kinnan, now superintendent of Indian Lake park, has been checking deer kills at the preserve during the deer season which opened Dec 6 and closes next Saturday.

THIS BEAR MAY HAVE LEARNED ABOUT LAZARUS

BROCKAWAY, Pa., Dec. 14—(UP)—Here's a bear that may have heard of Lazarus.

Three Brookville (Pa.) hunters driving back to camp in their car hit a bear which had crossed their path. The hunters—thinking the bear dead—picked him up and threw him in the rear of the car.

However, the bear revived in a few minutes whereupon the hunter, who sat beside him, broke all existing records for jumping out of an automobile. His companions followed suit with the driver stopping the car and locking the bear in.

While the hunters were discussing means of action, Mr. Brum proved himself a cut-up by ripping up the upholstery.

Finally, one of the hunters lured the beast out of the car and his companions fired three shots.

The bear was killed but with the following results: The rear tire was ruined by a bullet as was the gas tank. The insurance company refused to pay for damages and a game warden charged the trio with killing a bear out of season.

TRAVEL PRIORITY IS DENIED TO NOMINEE

LOS ANGELES, Dec 14—(UP)—Claude A Watson, lawyer, minister and prohibition party nominee for president, said today a presidential candidate had as much right to air-travel priorities as a president's wife.

When he applied for air-travel priority, he said, Col R. W Ireland, army agent for such matters, told him plane space was alloted first to persons contributing directly to the war effort.

"I am wondering if this is to be a general policy for all presidential candidates," Watson said.

Spain's American colonies had already established five universities when Harvard, the first in the United States, was founded in 1636.

FLUID MILK PRICES REMAIN UNCHANGED

COLUMBUS, Dec. 14—(UP)—Fluid milk prices remained unchanged in major Ohio markets during the past month except for increases at Marietta and Portsmouth, the Ohio Cooperative Dairy Reporting Service reported today.

Unit prices remained unchanged in the other 18 market areas reported, on all but fluid milk, except for slight changes in wholesale prices at Dayton.

Deer babies are known as fawns.
