REUTHER'S FORCES WIN UAW ELECTION BATTLE

CLEVELAND, March 30 – (AP) Opposition forces within the CIO United Auto Workers gave President Walter P. Reuther's leadership its most serious challenge in years today. But they lost.

The anti-Reuther delegates to the UAW convention rallied behind Carl Stellato for one of four international union vice presidencies. Stellato is president of the union's 55,000-member Ford Local No. 600 —biggest in the 1,250,000-member union—and for several years has been recognized as Reuther's strongest opponent.

The 47-year-old Reuther was elected to a sixth term without opposition. Secretary-Treasurer Emil Mazey won a fifth term the same way.

The Reuther slate of four vice presidents swept into office, with margins of some 2 or 3 to 1 over Stellato. Incumbents John W. Livingston and Richard T. Gosser led the field of six candidates. Close behind were the Reuther-slate nominees for two newly created vice presidencies, Norman Matthews and the union's veteran national Chrysler director Woodcock has been regional director in upstate Michigan.

For months Stellato urged the union to make a 30-hour work week its major demand on the auto industry this year. The UAW chose a guaranteed annual wage demand instead.

South Bird Island, Texas, is the only white pelican nesting colony on the Gulf Coast of the United States. It is a sanctuary of the National Audubon Society.
