BREEZY MUSICAL COMES TO LYRIC FOR MIDNIGHT SHOW

Comedies and lighter film fare again headline local bills as the summer months bring in air-conditioning. Films slated for Lima film houses this week-end will tend to put fans in the mood for the annual initiation of the summer season of festivity.

At the Ohio is found "Between Two Worlds," unusual in its treatment of theme and starring John Garfield and Paul Henreid.

Betty Grable portrays the title role in "Pin Up Girl" at the Quilna, the title being coined by service men.

Another of the Hardy family series, "Andy Hardy's Blonde Trouble" made its debut at the Sigma theatre Saturday with "The Scarlet Claw" a as co-feature.

Now at the State are "Henry Aldrich Boy Scout" and "Calling Dr. Death."

Opening Saturday midnight at the Lyric will be "Hi Ya Sailor" and "Bank Alarm" while "Partners of the Trail" and "Whispering Footsteps" close just prior to the late billing.

Majestic fans are now viewing "Three Hearts for Julia" and "Flight Lieutenant."

"Frontier Badman" are displaying their tricks at the Lima Drive-In.

COLOR BLINDNESS IS NEW RATIONING EXCUSE

ROCHESTER, N. Y., May 27—(UP)—The Monroe-co Rationing Board thought it had heard everything, but an apologetic man turned up recently with a brand new reason why his family's ration books should be replaced.

The man said his family had so much canned goods on hand that he tore out all the blue stamps in all five books because he feared they weren't needed. But, in his colorblindness, he also tore out all the red stamps. So, proving him truthful by means of a test, the board gave the man his five new books—with proper extractions, of course.

CLERK NEVER HEARD OF SUCH SPELLING

WALTHAM, Mass., May 27 —(UP)—Howard S. Smart, Boston & Maine railroad freight handler here, tells the story of a freight car containing, among other things, a live burro from Nero, N. M., billed "1 Burro, crated."

A freight clerk, checking the way-bills, came across this one, carefully inspected the load, scratched his head, then wrote on the bill,

"Short 1 burro. Over, 1 jackass."

They included Gov. Robert S. Kerr of Oklahoma, Gov. J. Melville Broughton of North Carolina, and Senators Samuel D. Jackson of Indiana, Scott Lucas of Illinois, and James M. Mead and Robert Wagner of New York.

THIS ANIMAL TRAINER CONFUSES HECKLERS

ST. LOUIS, May 27 - - (INS) — Julo Jacot, trainer at the St. Louis Zoo, credits his success with the performing animal to his knowledge of Spanish.

Jacot, one of the conductors of the popular free shows given at the zoo each summer, teaches most of his animals to obey commands given in Spanish.

It's a neat trick, he contends—new hecklers can confuse the animals and spoil the show.

ITALIAN FRONT SUCCESS MAY BE BALKANS TORCH

Bulgaria Looms As First Nation Which May Cut Ties To Nazis

By DEWITT MACKENZIE
(Associated Press War Analyst)

The continued Allied success in Italy is like a torch beside the highly inflammable Balkans which Hitler dared used as a buttress for the southeastern flank of his European fortress.

Bulgaria, master arch of this always doubtful structure, is on the point of flames. From neighboring Turkey comes the report that the Fuehrer has rushed five divisions into Bulgaria from Serbia in an effort to prevent a conflagration which would endanger his whole position in Eastern Europe.

Meanwhile mighty Russia, making a victorious stand on the alert at the northern gateway to the Balkans, is pressing Bulgaria to desert Hitler. Indeed, last midnight reportedly was the deadline of an ultimatum from Moscow to quit. The alternative was said to be severance of relations.

Thus far there has been no official indication of whether there was actually an ultimatum, or whether the ghost rattled his chains at midnight. However, it's evident that Russia has placed a heavy hand on the shoulder of the Hitlerian water boy, who long has been the bad lad of the Balkans.

Bulgaria is divided against itself. On the one hand is a government which is clinging to Germany in hope of profiting by the unholy alliance. On the other is a public whose heart is with the Russians—brother Slavs. The

So the Bulgarian people are seething with rebellion against the government. Indeed travelers arriving in Turkey from Bulgaria say there has been a revolt among Slavic folk.

bond of race is strong among the government can't bear the thought of giving up the thousands of square miles of Yugoslav and Greek territory which Bulgaria grabbed after Hitler overran those countries in 1941. The Bulgars didn't even participate in the fighting.

The reluctance of Turkey, altho friendly to the Allies, to join them in the war, undoubtedly has encouraged Bulgaria's adherence to Hitler. Indications are that the Turks might even now come in, especially in view of British Premier Churchill's pointed statement Wednesday that the course which "has been taken so far by Turkey will not, in my view, procure for the Turks the strong position at the peace table which would attend their joining the Allies."

However, as Churchill remarked, we shall be able to win the war "thruout Southeast Europe without Turkey being involved." The growing Allied success in Italy will impress that fact on Bulgaria.

WEAPON IN CHURCH SLAYING IS HUNTED

DETROIT, May 27 (AP) Admittedly without a substantial "lead" after 48 hours' investigation of the slaying of Mrs. Jean Long, pastor's secretary at the Twelfth Street Evangelical church here, detectives today resumed their search for the weapon used by the killer.

They described the object of their search as a "sharp and powerful" knife with which Mrs. Long was stabbed several times about the head and chest, apparently about 8:30 p. m. Tuesday as she worked in the church on a news bulletin for servicemen.

Officers continued to hold for questioning the woman's estranged husband, Kenneth Long, 42-year-old war worker, and Alex Simpson of South Bend, Ind., a salesman for a Chicago meat company.

Bright musical sequences woven into the story present Ray Eberle and his orchestra, the Leo Diamond Quintet, George Beatty and the far famed Delta Rhythm Boys. Dancing specialties are offered by the Hacker Duo and additional entertainment is supplied by the Nilsson Sisters, Wingy Manone and his orchestra and Mayris Chaney and her dance trio.
