2,758 USO UNITS IN U. S.

NEW YORK—(U.P.)—United Service Organizations (USO) had a total of 2,758 operations in the continental United States, as of October, including 145 troop-in-transit lounges, 1,840 USO clubs and 115 mobile service units, according to a report submitted to Dr. Lindsley F. Kimball, administrative vice president, at national headquarters here. The USO is the principal beneficiary of the National War Fund and has been in existence almost four years, as the movement was begun shortly after the forces of the United States began mobilization.
