Henry Aldrich Visits Farm On Friday Radio Program

Henry Aldrich tangles with a bull and a "kitten" while his parents inspect a farmhouse during the "Aldrich Family" comedy broadcast at 8 p. m. Friday over CBS.

Sam Aldrich decides that the family needs larger quarters and drives the family out into the country to look over a farm that is for sale. With pal Homer along for company, Henry inspects the countryside and discovers that a bull is not a gentle beast and that kittens are not always what they seem—especially when they have white streaks down their backs.

Stealing a march on Madison Square Garden and the Joe Louis-Billy Conn championship fight, Ed "Archie" Gardner decides to hold boxing bouts at "Duffy's Tavern" during the broadcast at 8:30 p. m. Friday over NBC.

Realizing that the sporting crowd is a spending crowd, "Archie" figures to lure them to the "Tavern" with such "greats" of the ring as "Canvasback Corrigan," "Ropeburn Roscoe" and "One-Round Olsen."

Comedian Alan Young brings his new kind of humor along when he makes a guest appearance on "The Ginny Simms Show" at 7:30 p. m. Friday over CBS.

Ginny learns from Alan, who is out in the great open spaces to make his first movie, that Hollywood is a mighty weird place.

At 9 p. m. Friday Alan Young will come to the airwaves on his own show over ABC. He turns to the veteran stage and screen star Dame May Whitty for sympathy when the well-known screen star appears as guest.
