The Listening Post

Hope's Nicknames Keep Aides Happy

BY ROCKY CLARK

Off-mike as well as on radio's crack comedians are ever the ale to create laughter A leader in this field quite naturally is Bob Hope And the nicknames he has for each of his cohorts are good for a story themselves Our Hollywood spy has just come through with the dope

When Bob is ready to get together with his gag-writers to work out the week's program chances are you'll hear him asking Where's Double Toupe? That means he's looking for Bridgeporter Norman Sullivan his No 1 jokesmith whose mop of wavy blonde hair is definitely no [illegible]

Next you'll hear him calling for The Happy Hacker another of the writers His name is Fred Williams and he's always ready to go another game of golf with Hope Bob is one of Lakeside's best and Williams is one of Lakeside's

So you can see where Hope got inspiration for that name

Another nickname came about this way When writer Ray Allen was late for rehearsal, Hope said 'I've been phoning you for the last 15 minutes solid' Allen complained, "Bob you know better than that Now you've probably waked up my dogs! Gagster Allen a man who even kiddingly thinks so constantly of his pooches became to Hope 'Poodle Noodle '

At rehearsal Bob makes with the nick-names too Vera Vague to him is Our Gay Gal and ever on the air when Bob occasionally breaks up in the middle of a script it's generally Our Gay Gal who's the cause of it

The Brush' is the descriptive moniker he has conferred upon Jerry Colonna Wendell Niles whom Bob introduces as the fellow who hustles the stuff for our sponsor is called Curly'—because of his curly black hair

Ken Murray who owns the theater from which Bob's show is broadcast generally shows up at rehearsal to try and collect the rent Smudgepot is what Bob calls him because Ken insists on puffing a huge cheroot in Hope's face all through their insult routine

Jack Hope who is responsible for much that goes on behind the Mike" is Reggie to Bob Jack's nickname for Bob is Sir Robert ' And Bob has other nicknames too The production crew calls him Robert the cast calls him Bob, and the writers refer to him as Mister '

GOOD LISTENING

Don't forget Cavalcade's story of Remington Arms starring Ronald Reagan on NBC tonight at 8 and the Screen Guild Players CBS presentation of "My Favorite Brunette" with Bob Hope and Dorothy Lamour at 10 30 (Next week, Brian Aherne and Bette Davis will do 'Elizabeth the Queen' on the Screen Guild Show)

Biblical dramas broadcast on 'The Greatest Story Ever Told over WNAB ABC Sunday nights are now available in albums of records to churches schools and other groups wishing to rent them at $3 75 per album Each album contains six 16-inch double-faced records to play on regular phonograph and there are two complete programs in each album Fifteen albums are ready available and succeeding broadcasts will be available every other week They can be obtained from ABC's office at Radio City

RIPPLES FROM AIR WAVES

WOR claims the highest Hooperating in history 91.5 per cent of the listening audience during the World Series game Sunday the 5th Gene Autry is reportedly backing a new producing firm to prepare comic strips and newspaper features for use on television

This is to come New Pepsi-Cola vending machines will provide a music box rendition of their singing jingle while the drink is poured Mel Torme's shampoo sponsor is dropping the show at the end of this month Eddie Green the comical waiter on Duffy's Tavern can now also be heard as Stonewall Lawyer Stone well on the Amos an Andy show

Seems to be a lot less interest in Take It or Leave It since Garry Moore replaced Phil Baker Phil getting up a new quiz which CBS may air Sundays at 10 for those who no longer Take It on NBC

Illness prevents Marian Anderson from doing her scheduled Telephone Hour program on NBC tonight at 9 so Nelson Eddy's subbing Guy Lombardo's orchestra back for its umpteenth season at the Roosevelt Grill whence come their broadcasts starting tonight

On their NBC broadcast next Sunday at 4 the Quiz Kids will announce eight two-year college scholarships to be awarded high school seniors in a new essay contest on What America Means to Me Don't miss Post columnist Billy Rose when he starts his new nightly commentary over WICC-MBS tonight at 8 55

The Northwest Territories of Canada containing 1 309 000 square miles have a population of only 15 000 people
