Roundy Says:—

Well the big thing now is the Republican convention that is all we will read now.

Then next will be the Democrat one and that's all we read then.

We'll see what the public gets out of it. They'll vote and that is all they'll get.

I think the Republicans will either nominate Dewey or Vandenberg. If Dewey fails I think Vandenberg will be the guy that is nominated and-how.

I know less about politics than a mule knows about a Kentucky Derby so don't pay no attention to this.

Ray Bate he was the busiest guy at the Elks golf tournament I ever saw. He said he shot a 73 I don't know if that is for nine holes or six. He says don't forget next Thursday night the Elks Feather Rhythm Four Band will play all evening in the Rathskeller. You can pick Ray out he'll have two badges on.

The Elks golf tournament the other day was biggest they ever had it was held at Nakoma. Art Kurtz, R. P. LaBonne and Glen Vitense did a good job.

Richland Center Roundy:

Here is one of our frog baits for you to take on that promised fishing trip. Please accept it with our compliments.

Just follow the instructions on the card that is in the bait box. Give the frog a good work out and he will lay plenty of fish on your back porch.

Yours for better sports,
Gee Wiz Bait Company
D. Daughhetee

I looked at it and I seen it work I figured you couldn't miss with it and I let a fellow use it he fishes three or four times a week. Now he won't give it back to me. He said he would give me his boat before he would give me the Gee Wiz frog back.

One Horse Town

Scum on the lakes, more parking meters, no city hall, no auditoruim, no swimming pool for kids and I could name lots others.

You can't drive around the square unless you get pretty near killed. I came from West Washington avenue onto the square the other day somebody was backing out from their parking meter in front of the Anchor Savings & Loan Company that one car tied up all the other sixteen cars coming onto the square.

How in the devil they can come onto the square like that I can't figure it out. I do the same thing but you got to go when the green light is on what else can you do? Those going around the square are trying to miss those coming onto the square and the other ones are trying to miss them. What a mess.

Anybody that can get around the American Exchange Bank corner onto the square without losing his fender or wheel getting onto the square he ain't a good driver he is just luckier than the devil.

I claim if you keep your cars off the square it will help your parking setup. The Centennial parade proved that. All you can do around the square is drive, drive, drive until you get a parking place if you don't get it then we all get mad and don't buy nothing.

Madison has got more committees than any town I ever seen. They hold more meeting than the UN holds they hold a meeting then they send it back to another sub-committee or whatever they call it. Then this bunch sends it to another committe and by the time they act on it three or four of the members have died.

Can you imagine with the University located here and the state capitol and they ain't even got an auditorium you got to go out to the stock pavilion to hold conventions. If the guy can get the cows out of there it's all set. One horse town is right.

Grand Forks Wins

Grand Forks swept into a three-game lead in the Northern League Friday night with a 3-1 victory over second-place Aberdeen. It was the only league game played, three others being washed out.

10,000 See Pronto Don Win Feature

MAYWOOD PARK, Ill. — The season's largest Maywood Park crowd, numbering well over 10,000, jammed every inch of space at the Chicago suburban track Friday night to watch Pronto Don, a speedy three-year-old trotting champion, capture both ends of the $10,000 preview trot.

The odds-on favorite, Pronto Don, Hayes Fair Acres entry, earned $5,000 of the purse for his owner, besides a fine trophy and a blanket of roses.

3 Big Races Tonight

Pronto Don returned a $3.00 win price in the sixth race and $2.80 to backers in the eighth event. Herman Landis' Mercy Abbey finished second in the first section while Eddie Cobb's Lady M, the seventh place horse in the first division, wound up second in the final half.

Grand Circuit racing will wind up its Maywood Park stay tonight when some of the nation's top pacers and trotters will compete in the three headline events, a $2,000 free-for-all pace, a $2,500 three-year-old pace, and a $1,000 free-for-all trot.

Tonight's races will boost Maywood's contribution to grand circuit prize money well over the $70,000 mark. Originally Maywood was scheduled to give $50,000 in purses.

Set Mutuel High

Brucita's Guy, champion gelding pacer from Perry Williams' stable in Michigan, is favored to capture both ends of the free-for-all pace, the highlight of the evening's program, offered as the sixth and eighth races. Winner of five starts in 10 appearances here, Brucita's Guy will compete in a formidable field of seven outstanding pacers. Racing against the bay champion will be Jimmy Creed, Royal Man, Easter Grattan, Miss Stardust, Valdo Abbe and Purdue Sal.

Tommy Winn, who piloted Brucita's Guy to a new 2:04 4/5 track record for the mile route a week ago will drive the champion again. Easter Grattan, who placed second to Brucita's Guy in their last two meetings, is second choice. This fine pacer is owned and driven by Dr. F. B. Maher of Eau Claire, Wis.

Friday night's top crowd set a new Maywood mutuel handle for one night, when $296,232 was sent through the machines.

Billy Herman Signs to Manage Millers

MINNEAPOLIS —(U.P.)— Billy Herman, 1947 manager of the Pittsburgh Pirates, will replace Frank Shellenback for the remainder of 1948 as manager of the American Association's Minneapolis Millers, it was announced today.

Wilfred Ryan, Miller general manager, said Shellenback was ordered by doctors to take a complete rest. He said he expects Herman to reach Minneapolis Sunday and take charge at once.

Milwaukee Holds 200-Mile Auto Race

MILWAUKEE—(U.P.)—The first 200-mile big car auto race ever held in the nation will be staged here Aug. 29 as part of the Wisconsin Centennial exposition.

Exposition Director Ralph E. Ammon announced today that orders for $1,200 worth of tickets already have been received for the national championship event. Ammon said it was the first time requests have been so heavy two months ahead of time.

"In fact," the director said, "we haven't even had the tickets printed and most of the orders we've received are for the $6 seats, the best in the stands."

Among the speedsters who will start the unique 200-miler will be Emil Andres, winner of the June 6, 100-mile race here. Others will be Rex Mays, Bill Holland, Ted Horn, Duke Nalon and George O'Connor.

The event will be run on State Fair Park's fast one-mile dirt track.

The Centennial racing agenda will include a 100-mile midget championship, Aug. 8; mixed sprints for both big cars and midgets, Aug. 9, 10, 11; an AAA 100-mile big car national championship, Aug. 15; stock car sprints, Aug. 21; and a stock car 100-mile championship, Aug. 22.

Walcott Is 'Much Better'

GRENLOCH, N. J.— (U.P.) — Latest word from behind Jersey Jeo Wolcott's "iron curtain" today was that the heavyweight challenger was feeling "much better than he did for his first bout against Champion Joe Louis last December.

Walcott is being kept isolated from the outside world during the final days of his training to meet Louis again at Yankee Stadium next Wednesday. Writers can watch him go through his sparring sessions, but Walcott is not permitted to talk to them.

Robinson Must Weigh In Again

CHICAGO —(U.P.)— The Illinois athletic commission ruled today that Ray "Sugar" Robinson must weigh in again for his re-scheduled welterweight title bout with Bernard Docusen, or forfeit his crown.

Officials said if Robinson failed to report for a weigh-in for his bout Monday night with the young New Orleans boxer, he also would risk suspension and loss of $11,000 posted as a guarantee.

Robinson had sought to avoid another weigh-in after the fight at Comiskey Park was postponed Thursday night because of threatening weather. Be barely made the 147 weight on his first trip to the scales, while Docusen weighed 145½.

Louis Says Walcott's Chances Are Slimmer

POMPTON LAKES, N. J. — (U.P.)—Heavyweight Champion Joe Louis insisted today that if Jersey Joe Walcott couldn't beat him last December, he has even less chance of turning the trick next Wednesday in Yankee Stadium.

"If he couldn't like me when I wasn't my real self, how does he expect to do it now?" the champion asked reporters.

The Brown Bomber said he was going to eat regularly right up to the weigh-in and that he wouldn't attempt to "dry out" before the first fight with Walcott.
