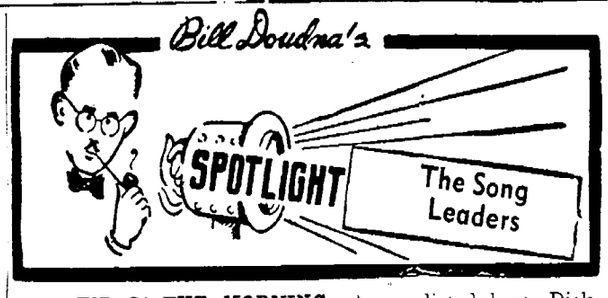
Worry of FALSE TEETH Slipping or Irritating

Don't be embarrassed by loose, false teeth slipping, dropping or wabbling when you eat, talk or laugh. Just sprinkle a little FASTEETH on your plates. This pleasant powder gives a remarkable sense of added comfort and security by holding plates more firmly. No gummy, gooey, pasty taste or feeling. It's alkaline (non-acid). Get FASTEETH at any drug store.



TIP O' THE MORNING: As predicted here, Dick Haymes gets a permanent assignment on the Sunday night "Contented Hour." In addition, Jo Stafford will be a regular member of the cast.

It's a Tough Job Stumping Duncan

BRYAN DUNCAN

It takes a strong musical memory to stump Bryan Duncan, the blind pianist now appearing at the Hoffman house.

If a tune has been popular, or even fairly well known, in the last 15 years, the chances are that Duncan can play it. And he turns from "Clair de Lune" to "Bumble Boogie" with scarcely a breath between.

Duncan performed for 11 years at the Tropic room of Hotel Chicago before coming to Madison early this month. He has done radio work, but prefers playing to an audience—even though he can't see his listeners.

Paving of Streets in Westmorland to Start With Spring

Paving of Westmorland streets, held over from last year, when rains and winter weather interrupted operations, will be started by Contractors Icke and Pankow as soon as the frost is out of the ground, City Engineer Tim Harrington said Friday.

The Payne and Dolan asphalt heating plant, which was not placed in operation until July last year, will start earlier this year, as soon as possible after warm weather arrives, Harrington reported.

Vahlen and Melrose sts., on the East side, where grading and curb and gutter work were started last year, probably will be the first streets ready for asphalt surfacing this season, he said. Some work also remains on Harding and Johns sts., where improvement started last fall.
