Labor Secretary Tobin Will Speak Tomorrow Afternoon in L. B. Park

BY THE LOOKOUT

LABOR SECRETARY MAURICE TOBIN will be in Long Beach tomorrow and is expected to put in a word for Democratic candidates when he makes an appearance at Bixby Park between 12:30 and 2 p. m.

Rep. Clyde Doyle has arranged the Tobin appearance, and said the public is invited to visit the park and hear the cabinet officer. Some may wish to take picnic lunches, the Congressman said.

Tobin is a former Governor of Massachusetts. On Monday he will go to the A. F. L. convention at Santa Barbara.

Rep. Helen Gahagan Douglas, candidate for the U. S. Senate, will be among candidates introduced for short talks at the park gathering.

TAX REDUCTION

Taxes in Los Angeles County can be reduced without affecting a single salary or eliminating a single job, Supervisorial Candidate Herbert Legg said today.

"My opponent goes around claiming taxes can't be reduced, and states he plans to make them even higher next year. I say he is wrong."

Legg pointed to the Belhart Bridge, saying that as chairman of the supervisors, Candidate William A. Smith has allowed a $1,500,000 bridge to be built that now is completed "but accessible only by helicopter."

"He neglected to see that the rights of way had been obtained for the approaches before the job was started, and now it will sit idle for seven months," said Legg. "In another recent county land acquisition deal, 300 feet of property was bought for $35,000 from a company which bought 1200 feet for $36,000. One of the board of supervisors ordered the purchase from the sellers even before the sellers owned the property. You figure that one out.

"I'll be only too happy to lock horns with Mr. Smith in public debate on how taxes can be reduced."

SMITH APPOINTMENTS

Supervisor Smith, running for re-election with former Supervisor Legg as his opponent, has made several new campaign appointments. These include H. W. Funke, Long Beach attorney, as general chairman of the veterans committee in the Long Beach area; Dr. Ralph H. Christie, chairman of Veterans for Smith in Lakewood Village; Roy McMillan, William Brunton and William Brunton Jr. as members of a publicity committee for South Gate, Lynwood, Hynes, Bellflower, Artesia, Bell Gardens, Signal Hill and Lakewood.

Some of her experiences are in her book, "A Life Were Not Too Long." She has been asked by the National Council to antedate her furlough to act as adviser in the Spiritual Life groups at the national meeting.

Civic League Asks Votes for Propositions 3, 10

SUPPORT for State Propositions 3 and 10 and opposition to Proposition 6, all to be on the Nov. 7 ballot, was voiced at the open forum of the Civic League yesterday.

Judge Roberta Butzbach, justice of peace for Signal Hill Township, urged a "yes" vote on Proposition 3 at the meeting in the Y. W. C. A.

The measure provides for elimination of many of California's 768 inferior courts, such as police, city and recorders' courts, and establishment of municipal courts in any area with a population of 40,000 or more.

Only courts inferior to the Superior Court existent then would be justice and municipal courts, Mrs. Butzbach said.

"There is no justification for the costly system of so many inferior courts," she asserted.

As it is now, a municipal court can be set up only in an incorporated city of 40,000 population or more.

In unincorporated areas, many with large populations, considerable confusion exists due to so many different inferior courts, with overlapping jurisdictions, Mrs. Butzbach pointed out.

James Edmonds, real estate man, urged a "yes" vote on Proposition No. 10, which provides for a vote of the people before any city council or county board of supervisors can set up a public housing authority, which would establish a housing project, financed by taxpayers' moneys.

Such authorities, under federal law, could take over federal public housing projects, already established, and operate them as municipally-owned living units.

Rev. Paul Dietrick, retired clergyman, urged a "no" vote on Proposition 6, which provides for a five-man board to license all types of gambling. E. J. Wightman presided.

Public Warned to Be Cautious of Spies' Agents

SAN FRANCISCO, Oct. 7. (UP) The public was warned to be watchful for espionage attempts by "unfriendly nations" seeking to build up files of strategic information on the United States.

U. S. Sixth Army headquarters said today that a recent request for a detailed description of the Los Angeles, Calif., water system was a case in point.

The announcement did not indicate where the request originated, but said such queries usually come from overseas agencies or their representatives in the United States.

"The search for knowledge of our resources, industries, utilities, cities and public works," the announcement said, "is a continuing process which is speeded up during periods of stress."

The Sixth Army urged that private agencies receiving such requests should consider the action carefully before complying.

Dr. C. Richard Minugh will speak at the Sunday afternoon vespers in the "Chapel in the Sky" at the Villa Riviera at 2:30 o'clock. A special healing service is conducted for the sick and afflicted. An open lecture is held on Thursday evenings.

Unreality of Death Lesson-sermon Text

"Are Sin, Disease and Death Real?" This question will be the Sunday lesson-sermon subject in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston. The golden text is from the Psalms: "Salvation belongeth unto the Lord: thy blessing is upon the people."

It is recorded in The Acts that when the disciples told Peter that Dorcas was dead, he "arose and went with them. When he was come, they brought him into the upper chamber: and all the widows stood by him weeping . . . but Peter put them all forth, and kneeled down, and prayed; and turning him to the body said, Tabitha, arise. And she opened her eyes: and when she saw Peter, she sat up. . . . And when he had called the saints and widows, presented her alive."

In "Science and Health with Key to the Scriptures" Mary Baker Eddy writes: "When man gives up his belief in death, he will advance more rapidly towards God, Life, and Love.
