L. B. Library to Show Films

The Los Angeles County Museum Association in co-operation with the Long Beach Public Library will present a series of five documentary film showings at Alamitos branch library, 1836 E. Third St., beginning with "The Art of France," Jan. 18 at 8 p. m.

Programs to be presented will be duplicates of those now shown at the museum. The schedule includes "Schools Around the World," "West Africa," "Fine Arts" and "Barranca de Cobre," the museum's exploration into Mexico's Grand Canyon.

The local series is a pilot project. If successful, similar programs will be offered throughout the county as a public service of the museum and co-operating agencies.
