BRISTOL PUBLISHER, 80, HONORED BY EMPLOYES

BRISTOL, March 12. — (AP) When Arthur S Barnes, publisher of The Bristol Press, came to work today he found a large bouquet of red roses, a basket of fruit and a cake adorning his desk Needless to say Mr. Barnes was very pleased.

The occasion for this display, which was a gift from all the employes, was that today is the 80th birthday of the publisher of The Press. He was born in Bristol on March 12, 1871. Just three days earlier, on March 9, 1871, the first issue of The Bristol Press appeared, so that the age of the newspaper and its publisher are almost synonymous.

A graduate of Yale in the class of 1892 Mr. Barnes worked for nine years in the publishing firm of Tuttle, Morehouse and Taylor in New Haven. In the spring of 1902 he was hired by The Bristol Press Publishing company to come back to his native town and manage The Bristol Press which was then still a weekly. He has been with the paper ever since.

NEW PRIME MINISTER TAKES OVER IN IRAN

TEHRAN, Iran, March 12—(AP) Hussein Ala, the little diplomat who defied Russia's first aggressive move in Azerbaijan after the second world war, stepped in today as prime minister of fearful Iran.

The Majlis (parliament) gave a vote of approval, 69 to 27, to the 68-year-old Ala to succeed the assassinated anti-communist, Gen. Ali Kazmara

Ala spent the rest of the day in conference with political leaders on formation of a cabinet. He hope to present the list to the Majlis for a vote of confidence in the next day or two. Today's vote, however, signified the intention of parliament to support him.
