STRICTLY HONORARY

CLINTON, Miss.—(UP) Being a fire engineer for this town is a strictly honorary proposition. For their services last year, five fire engineers collected 80 cents each. All the town appropriated for the work was $4.

The South today supplies 50 per cent of the nation's pulpwood and nearly 50 per cent of its lumber.

BEAUTY TO REWED DIVORCED HUSBAND

SAN DIEGO, Calif., June 18—(UP) Mrs. America of 1949 will become Mrs. Arthur T. Cloyd, Jr., again tomorrow.

Mrs. Frances Cloyd, 25, announced that she will remarry her former husband, a 27-year-old auto mechanic, only a month after their divorce became final.

The beauty title winner, mother of three children, said she decided to remarry Cloyd because she has discovered "all men have something wrong with them—some faults."

"I've decided to get along with the faults of the father of my children," she said.

Mrs. Cloyd divorced her husband last year, charging him with neglect and indifference. The decree became final May 14.

ASKS STOCK ISSUE.

HARTFORD, June 18.—(AP) Approval of a $10,000,000 stock issue was asked today by the Southern New England Telephone company at a hearing before the state Public Utilities commission. It has been approved by the SNET directors and a registration statement is on file with the Securities and Exchange commission.

North Carolina's farm population gained 48,000 in the last two years. The 1950 census shows 1,471,048, or more than a third of the population, living on farms of three acres or more.
