Films in Color Ready for Use on TV Here on Coast

By TOM E. DANSON

HOLLYWOOD. It's like the old mousetrap story, that when a better one is made, buyers will wear a path to the door.

This color television problem is pretty much the same, with the general consensus being that the CBS system is the better of the lot.

With the announcement by CBS that they expect to have color TV on the west coast sometime early in the fall, Hollywood smaller film producers are making hay while the sun shines on the fracas over whether mechanical or electronic color systems are the best.

Studios like United Productions of America have been doing even their current TV work in color films.

Intensive research and experimentation during World War II, showed UPA and many others in the business how to work in inks, pinks and dyes, which would be excellent for color movies, but still would offer peak definition and the necessary contrast when photographed in black-and-white version.

Bu the use of this process there are hundred of miles of film in color, but still usable for regular television, in cans, just waiting for the color TV debut here in the fall.

ON TELEVISION . . . Joe E. Brown and Margaret Sheridan are in the spotlight when "Hollywood Reel" is viewed on KTLA (5) at 7:15 . . . ON RADIO . . . A tale of intrigue in the Orient will be presented on "Escape" from KNX at 6 p. m. . . . Reporter Sidney W. Hooper of the Fargo, N. D., Forum will be spotlighted during tonight's "Big Story" from KFI at 7 p. m. . . . Ann Blythe and Robert Stack co-star in a different kind of ghost story during the "Family Theater" airing at 8:30 from KHJ . . . A courageous President whose fight witht Congress almost resulted in his destruction, will be portrayed by Edward Arnold during "Mr. President" from KECA at 9.

L. A. Utilities Chief, Charles Bean, Quits

LOS ANGELES, July 18. (UP) K. Charles Bean announced his resignation yesterday as chief engineer and general manager of the Department of Public Utilities and Transportation.

He has held the job since Sept. 1, 1936, except for his return to military service during World War II for two and a half years.

Duties of the 65-year-old Bean will be taken over by T. M. Chubb, veteran assistant general manager, until a successor is appointed through Civil Service examination.

Let's Explore Your Mind

By ALBERT EDWARD WIGGAM, D. Sc.

Answer to Question No. 1

Yes, mental shoes. This thought came to me after hearing what one wife said to a counselor: "I see I've been trying to make my husband feel small enough to fit my shoes, but you've made me see I should try to be big enough to fit his." The simile is not perfect, but it shows that marriage can only be happy where it is a give-and-take, fifty-fifty way of life—with neither partner "bigger" nor "better" than the other.

Answer to Question No. 2

Yes. At the U. N., and international meetings, scholars and diplomats struggle to agree on the meaning of words. Even Gromyko says that "behind words is meaning and behind meaning is life." Labor and management are frequently in disagreement over the meaning of words. Our booklet, "How to Increase Your Word Power, Think Better, Spell Perfectly, with Vocabulary Test," will help. Sent at cost, 15 cents (coin only) plus self-addressed, stamped envelope.

Answer to Question No. 3

Yes, immensely, despite the humorous reference to it in the following lines sent to me by "Chuck" Myers, O'Reilly Veterans Hospital, Springfield, Mo.:

"Parents now don't penalize,
They preach and psychoanalyze
Or coax and bribe and temporize
They call it child psychology.
When I was young—a long time back—
Psychology was just a whack—
Upon the sacro-iliac."

INCREASE YOUR WORD POWER!

Words make a great deal of difference in how you impress people. Therefore, you can improve yourself and create a more favorable impression if you read our instructive new booklet, "How to Increase Your Word Power, Think Better and Spell Perfectly, with Vocabulary Test of Intelligence."

For your copy address Dr. A. E. Wiggam, in care of this newspaper, including 15 cents (in coin only) and a stamped (3-cent), self-addressed return envelope.
