LIGHTNING HITS TWO DWELLINGS

Five Holes Ripped In Roof

Asst. Fire Chief Jerome C. Barrett said the lightning bolt which struck the two-story house at 1173 Park avenue, ripped five holes in the roof. The bolt followed a path from a television antenna to the electrical wiring in the house, cutting off all power. There was no fire.

About the time when Patrolman Jones was struck by lightning, a bolt hit a television antenna on a house at 928 Oldfield road, Fairfield. The lightning followed two guy wires to the roof, knocked off cornices on the front of the house and started a fire in the attic.

Firemen from the Center, Southport and Tunxis Hill companies responded to an alarm. They estimated damage to the roof and attic at $1,000.
