Radio, TV All Out For Peace Confab

By ROCKY CLARK

The Japanese Peace Treaty Conference in San Francisco next week with the Communists expected to provide an eventful side-show is slated for the greatest combined radio TV coverage yet accorded an historical event President Truman making the opening address Tuesday night at 10 30 will become the first person ever televised from coast-to-coast over the new trans continental TV hookup

All networks have assigned top news analysts to the conference and are planning frequent radio pickups of the proceedings The first plenary session Wednesday at 1 p m is to be televised too as well as the closing session and signing of the treaty Saturday at 1 p m along with any other developments that merit

Bridgeport's non-network station WLIZ is planning unusual coverage of the conference It has arranged for special tape-recorded interviews with UN delegates by Lee Giroux, west coast commentator daily from Sept 6 to 10 at 6 30 p m The tape recordings will be flown from Frisco to Bridgeport with the Dictaphone corporation sponsoring the broadcasts

Prior to the conference, NBC's Yesterday Today and Tomorrow program Sunday at 1 p m will include Soviet delegate Andrei Gromyko's explanation of Russia's attitude toward the proposed treaty His reasoning will be opposed by President Truman Winston Churchill and Gen MacArthur (on recordings) John Foster Dulles who drew up the document, will discuss its background Others will speak too

ODOR CLEARS BEACH

SAN JUAN Aug 31 — (INS) Wealthy residents left swanky Las Marias beach in Puerto Rico today to escape an odor so violent that it induces nausea and peels the paint off buildings

There was no immediate explanation of the origin of the odor but authorities checked nearby excavations as the possible source of the corrosive element in the air which leaves houses autos and furniture looking like they had been sandpapered

Las Marias two miles from San Juan is a favorite resort for hundreds of wealthy families

SHOE PRODUCTION DROPS

BOSTON Aug 31 (UP) New England shoe production in June totaled 11 152 000 pairs a four per cent decrease from June 1950 the New England Shoe & Leather association said today
