City Presbyterians Install University Minister Sunday

The Rev. John R. Collins will be formally installed by the Madison Presbytery as minister of the University Presbyterian church at 7:30 p.m. Sunday

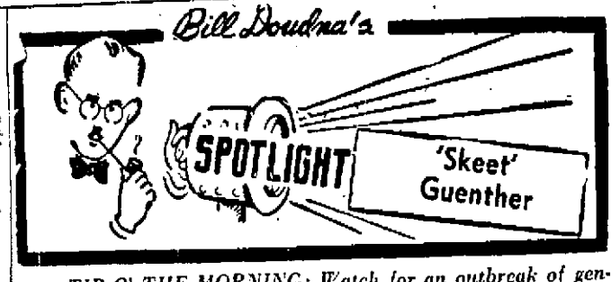
Mr. Collins was associate minister of the church until his appointment last November as minister-director of the church and student center.

Clergymen who will take part in installation ceremonies will be the Rev. Richard E. Pritchard, pastor of Westminster Presbyterian church; the Rev. Arthur E. Wittenberger, pastor of Parkside church; the Rev. Roy W. Zimmer, pastor of Christ church; the Rev. Thomas Lyter, Milwaukee; and the Rev. I. E. Bradfield, Waukesha, executive secretary of the Synod of Wisconsin.

A reception for Mr. and Mrs. Collins will be held in the student lounge after the service.

DIES OF CRASH INJURIES

OSHKOSH —(AP)— Charles E. Ristow, 82, Oshkosh, died at Mercy hospital Friday of injuries suffered when he was struck by a car at a crossing Jan. 8. The death was the first traffic fatality of the year in Oshkosh and Winnebago county.



TIP O' THE MORNING: Watch for an outbreak of genuine feuding among radio and television comedians over gag-stealing. It may even get the lawsuit stage.

ARTHUR "SKEET" GUENTHER, University of Wisconsin alumnus from Wharton, Tex., has made something of a record in the theater, friends here have learned.

ARTHUR GUENTHER

"Skeet" went to New York a short time ago, and within two weeks had acquired a singing and speaking part in a new revue. "Curtain Going Up," they tell us.

The show will open Feb. 7 in Philadelphia and is scheduled to move to the Broadway scene Feb. 28.

Guenther also will be understudy to the leading dancer in one of the show's sketches, "Swamp Boy."

"Skeet" appeared in several Haresfoot club and Wisconsin Players shows on the campus. He had leading roles in the 1950 Haresfoot musical, "Good for the Girls," and the 1951 production, "Good News." He designed and built the sets for the latter.

WISCONSIN PLAYERS: Five members of Wisconsin Players have been elected "key members" for "sustained attainment and leadership," Pres. Sonia Bensen has announced. They are Luette Freeman, Dolores Kosbab, Carlos Mittag, Alice Peet, and Ann Louise Resh.

Eleven University of Wisconsin students were initiated Sunday by Players. They are Art Ace, Fannie Bennett, Barbara Berman, Judy Bavermann, Joan Christopher, E. Larry Eberlein, Gretchen Hardt, Nancy Hold, Barbara Mayer, Nancy Oakes, and Gard Ole.

ON THE AIR: Gov. Walter J. Kohler will be the speaker on the weekly "Human Rights" program over WHA and the state network at 2 p. m. Wednesday. He will discuss "The State's Responsibility for the Indian." James Frechette, Keshena, new member of the governor's commission on human rights and past president of the Menominee tribe, will introduce the chief executive. The program will be repeated at 7 p .m. Thursday on WHA-FM and the network.

A composite program of musical groups attending the Midwinter Music clinic held this month on the University of Wisconsin campus will be broadcast Thursday on the state stations' "FM Concert" from 9 to 11 p. m.

Orchestral, choral, and ensemble music presented at the three-day clinic will be broadcast over WHA-FM, Madison; WHAD, Delafield; WHKW, Chilton; WHRM, Rib Mountain; WHWC, Colfax; and WHLA, West Salem.

"O Lord We Worship Thee," will be sung by the Eau Claire High School choir under the direction of Caldwell Johnson.

City Housing Center Rents 1,660 Units, 121 Rooms in '51

A total of 1,660 housing units and 121 rooms were rented through the Madison Housing Center during 1951, according to the center's yearly summary released Friday afternoon.

During the year, 2,068 applications were made at the center for various kinds of housing.

The center tabulated the applications for housing and found that people living in temporary quarters made the most frequent requests for housing.

Temporary quarters accounted for 476 of the applications and the center listed these other reasons for applying:

Evictions, 324; family in another city, 261; overcrowded or substandard, 225; doubled up, 147; marriage, 135; high rent, 132; living apart, 12; and other reasons, 356.

"Of the 1,474 units, including apartments, houses, and cottages, 755 allowed children," the center pointed out.

"Many of these were out of town and a great portion of those in the city were still in the high rental bracket," it claimed.

The center concluded that because of those reasons, "housing for families is still very difficult to find on the rental market.

Calls and interviews at the center from persons looking for housing averaged 61 a day.

The highest number of applications was made in August when 272 persons came to the center for aid.

"We did it Again!"

That's the jubilant news that comes from Flint to every Buick dealer—and here we pass the thrilling story on to you. It sure is true for '52 that better automobiles are being built—and Buick is building them. Read the good word and you'll agree.

LET'S pare this down to plain statements of fact and let them speak for themselves:

The dynamic darling pictured here is the 1952 ROADMASTER.

It has the *mightiest engine* in Buick history.

It has the *biggest brakes* of any postwar Buick.

It is the *quietest car* that Buick ever built.

It has the *richest fabrics* and *smartest tailoring* that ever graced a Buick's interior.

It has the *greatest trunk space* since spare tires moved off the front fenders.

It has the *most superb ride* in Buick history.

It has the *finest carburetor* that Buick research has ever devised.

And with all its new power, it delivers *more miles per gallon.*

But that is not all.

For those who wish it, there is a brand-new version of *power steering* that works like a helping hand—gives you the same sure feel of control you have always known in straight-away driving—yet takes less than one-fifth the effort needed to turn the ordinary wheel standing at curbside.

Sure, we're putting our best foot forward when we talk about ROADMASTER.

But you'll find a host of notable features in SUPERS and SPECIALS too—plenty to make them, as always, the standout buys in their fields—for ride, for comfort, for style, for room, and for power.

Come in—look this triumphant trio over—and you'll know why every Buick dealer from coast to coast is going around with a smile on his face.

Equipment, accessories, trim and models are subject to change without notice.
