Thrift Talks
by don herold

What use do they put it to?

Most of the savings you leave with the Park City-Home Savings & Loan Association, they reinvest in good first mortgages on residential real estate right here in Bridgeport and vicinity.

Experts have long agreed that this is the safest kind of investment in the world. In addition, your account at Park City-Home is insured up to $10,000 by an agency of the U. S. Government.

Some of the money you leave with Park City-Home, they set aside as a safety reserve.

They give you these excellent services: they do an expert job of mortgage selection and supervision, they scatter your savings over many mortgages for further safety, they look after the borrowers' taxes and insurance and they take care of an awful lot of bookkeeping for you.

FARMERS CLAIM JETS CUT COW PRODUCTION

GLENDALE, Ariz., July 27 — (AP) The United States was sued for $550,000 damages yesterday by a group of farmers who claim cows won't produce near the end of a jet base runway.

Because of the nearness of Luke Air Force base and its jet planes, the farmers protested:

Dairy cows give less milk and the butterfat content is reduced.

Beef cattle don't eat properly and it takes one-third longer now to fatten them for market.

The farm houses are unsafe and noisy.

Farm workers' efficiency is cut by 25 per cent, and they live and work "in fear of death."

New Stamps in August

These are illustrations of the new postage stamps which the Post Office department will place on sale at Chicago Aug. 26, coinciding with the annual convention of the Society of Philatelic Americans. The one-cent stamp bears a likeness of George Washington reproduced from a portrait thought to be the original of the Vaughan or "right-side-of-the-face" type by Gilbert Stuart.

2 G-E WORKERS SEEK PERMIT FOR LEAFLETS

FITCHBURG, Mass., July 27 — (UP) Two General Electric company workers today sought a police permit to hand out leaflets declaring their innocence of communist affiliation as alleged by a self-styled former FBI undercover agent.

Waino S. Nisula and Waino E. Suokko of Fitchburg passed out the handbills at the G-E plant here yesterday before being stopped by police because they had not applied for a permit.

William H. Tavo of Ashby testified before the Senate Permanent Investigating committee in Washington last week that he knew both men as communists.

Bobby Greenlease Swing Stands Where He Left It 10 Months Ago

By MARGARET RICHARDS

KANSAS CITY, Mo., July 27 — (UP) Bobby Greenlease's swing and slipper-slide still stand where he left them 10 months ago a few hours before he died at the hands of kidnapers. His grieving parents apparently have not had the heart to take them down.

Night and day life in the brick mansion in a wealthy section of Kansas City outwardly appears as it was in the days before multi-millionaire Robert Cosgrove Greenlease and his wife lost their six-year-old son in one of the most barbarous crimes of modern times.

Father Back at Work

The 72-year-old father has overcome his grief sufficiently to resume direction of his auto enterprises. He spends every working day at the office of his agency.

But he has kept a protective veil around Mrs. Greenlease.

"She still takes it pretty hard," he said.

Mrs. Greenlease, a devout Catholic, found solace in her church, even as she did in the nine anguished days between her only son's disappearance and the finding of his body in a shallow grave at St. Joseph. Mo. She rarely is seen in public.

Understandably, there is little the public knows of the couple's daughter, Virginia Sue who was 12 years old when her brother was slain to death in the stubble of a Kansas wheat field, only a few miles from the suburb of Mission Hills, the family's home.

Last winter the Greenleases made a trip to Hawaii. But they otherwise have managed to keep out of the news and even that trip brought only brief mention.

Memorial Is Studied

Greenlease indicates he and his wife still are discussing a suitable memorial for Bobby. Friends in the auto business raised a memorial fund, to be used as the family wishes.

"We want to do what we do to be a sort of living memorial to Bobby," Greenlease said.

He already has given a library to the School of the Good Shepherd a Catholic school for girls.

It was from an upper Catholic school, the Academy of Notre Dame de Sion, that Bonnie Brown Heady, kidnaped Bobby Sept. 28. He was killed within a matter of hours by her accomplice, Carl Austin Hall. The two were executed together in the gas chamber at the Missouri state prison Dec. 18, 1953.

KING-SIZED CUBE

OMAHA, July 27 — (AP) The old-time iceman, can still command attention. Mrs. William Joseph of Omaha tells of taking her four-year-old daughter shopping. They passed an ice truck and beside it stood the iceman balancing a 100 pound cube on his back. "Mama, look at that kingsized ice cube," whooped the child.

DOMESTIC IS JAILED AFTER THEFT OF RING

Judge Milton H. Hausman of Stratford Town court, sentenced Henry Clay Howard, 29, of 29 Day street, Norwalk, to one year in jail yesterday after finding him guilty on a charge of larceny.

Beaver Dam road while employed as a domestic.

Howard, according to police tools a $2,500 diamond ring from the home of Dr. Irving Sherman of Beaver Dam road while employed as a domestic.

He was taken into custody in a South Norwalk jewelry shop when he allegedly attempted to have the stone altered as a present for a girlfriend. Howard claimed he found the ring in the driveway of the doctor's home.
