BEVAN GROUP STARTS HOME FROM FAR EAST

TOKYO, (Monday), Sept. 6—(AP) Seven British Labor party leaders left for Britain Sunday night fairly mum on what they saw in Red China — saving their views, they said, for a report to the annual conference of the Labor party.

The touring British group, led by Aneurin Bevan, departed for Hong Kong after an enthusiastic sendoff from the Japanese right- and left-wing Socialist parties.

The local Socialists were understood to feel the British visit helped their cause in the fight to unseat Prime Minister Shigeru Yoshida.

The British group spent three days here, coming straight from Red China.

They met a large group of Japanese and foreign reporters at a news conference Sunday. The visitors sidestepped questions about Red China and Japan.

HORSES TRAMPLE 3 IN GOSHEN FAIR RING

GOSHEN, Sept. 5—(AP) Three persons were trampled and one was critically hurt today when two draft horses suddenly went berserk in the judging ring at the Goshen Fair here.

Herbert Gracie of Westfield, Mass., was taken to Charlotte Hungerford hospital with head injuries. A hospital spokesman said his condition was critical.

Treated at the scene for bruises and lacerations were James Black of North Leverett, Mass., and Miss Veronica Dickinson of New Hartford, Conn.

Spectators said that while the horses were being judged they suddenly reared and kicked out with their forefeet and then bolted from their handlers.

A spokesman for the fair said the cause of the animals' actions had not been determined.

CARD PARTY OMITTED
