George Washington and most of the other men who helped to found the United States were colonial Englishmen until the revolution.

Clear glass placed over an open cookbook keeps the recipe easy to see and protects the pages from soiling.

TV TO CARRY IKE TALK AT WEST POINT JUNE 7

NEW YORK, May 25 — (AP) President Eisenhower will make the commencement address at the United States Military Academy June 7—the first West Point graduate to address the cadets as Chief Executive.

The National Broadcasting company said today the speech will be televised in color from the West Point fieldhouse in a 30-minute program beginning at 10 a.m. It will also be telecast in black and white.

The President was a graduate of the West Point class of 1915.

There are four species of anthropoid apes without tails: the gorilla, the chimpanzee, the orangutan, and the gibbon.
