While the Southland still is throbbing with the fruits of a national football victory, Thanksgiving on radio offers additional gridiron elassics, a salute from London, an hour at Washington Cathedral; automobile races at Ascot, and con-certs that should warrant your spending the evening close to the fireside.

Fireside.

First up. we'd point to KHJ at 8 a.m. when Rt. Rev. James E. Freeman, bishop of Washington, conducts the national Thanksriving KHZ. ducts the national Thanksgiving service at the Washington Cathe-dral. Besides an inspiring sermon religious classics will be heard, including the processional hymn "Come Ye Thankful People. Come" and the recessional "Praise to God Immortal Praise."

At 9 o'clock sharp, over KHJ, far away London is to send a fifteenminute greeting over the seas-Pilgrims of the Air pushing off from their shores. The details of this period have not been disclosed.

Running over the concert list the Minneapolis Symphony Orchestra at 6 o'clock over KHJ, the Standard Symphony period, over KFI at 8:15 o'clock, which boasts the Los Angeles Symphony Orchestra. and from KFRC through KHJ the Surprise Special at 9 o'clock vie for the high light position.

And here's your football sched-
