QUESTIONS & ANSWERS

Q—Is it true that a glass snake can live after it has broken into two parts?

A—Yes, but it is entirely false that the two parts join together again. Like many other kinds of lizards, it can shed its tail and grow a new one in its place.

Q—Did any particular church inspire Thomas Gray to write his "Elegy Written in a Country Churchyard"?

A—His elegy was inspired by a visit to the village churchyard of Stoke Poges in Buckinghamshire where Gray's mother lived.

Q—Is the use of the Gaelic language increasing or decreasing?

A—Today, Gaelic is the official language of Eire and is taught in Irish schools. Knowledge of Gaelic is required for some professions, and use of the language is increasing.

Q—How many of the New England states lie entirely inland?

A—Only one—Vermont.

Q—In medieval pictures what did the unicorn represent?

A—In pictures of the Middle Ages the unicorn was often shown beside Christ, the Virgin Mary, and virgin saints as an emblem of purity.
