CHRISTIAN CHILD'S STORIES

Here is a series of popular tales for the younger set, aged 5 to 8. The stories have child appeal, the kind that makes their eyes grow big, their hearts glow, and their young minds set to work until they beg for more. By popular Catholic authors, each book in this series features durable four color, laminated covers, eye-catching illustrations, and the amazingly low price of 50 cents a copy. Take the opportunity to give your children big religious truths in language they can understand at such a low cost.
