# Riviera Polo Season Opens

The summer polo season opens tomorrow at Riviera Country Club with a polo carnival and celebration for the opening of the new road connecting the clubhouse with the polo fields and riding stables. Two games will be on the program besides other festivities—a four-chukker game with Walt Disney's Mickey Mouse team and the Riviera Cats with Spencer Tracy, Charles Farrell, Johnny Mack Brown and Snowy Baker. The Disney team has been practicing for the past year and expected to give the Cats great trouble.  
The tournament game will be between two teams entered in the eliminations—one captained by B.G. Boy Williams and the other by Arthur Perkins. These teams will strive to win John Brandels trophies which go to the winners of the tournament play, with eight teams competing for honors.

# Make Yourself a Job WITH ED BISHOP The Idea Hunter

Through a wager with his wife that he could make better hard candy than she had bought, a man in Columbus, O., created a product that has since made him a business. He bought powdered sugar, pure white corn syrup, fruit flavoring and vegetable coloring, and combined the ingredients by experimentation, coloring and flavoring various batches differently. When cooked to a proper consistency, he dropped the candy from the tip of a spoon, each making a piece about the size of a quarter. The hard, clear product, packed several colors and flavors in a jar, proved a highly salable article.

Some simple new idea, promptly broadcast, may put 1000 men back to work. If you know any idea, actually working, help spread the news by sending full details to Ed Bishop, care of this newspaper.
