Your Stars Today

By WYNN

Wednesday, March 26.

Excellent celestial buzzes today for understanding what's going on inside your deep inner nature; an opportunity to become better acquainted with yourself. Analyze motives, make plans. Observe well new items that drift by; should be good ones.

Your Year Ahead.

Your year ahead from this natal date demands sense in handling money, and law. July-December personally inflamed, reckless, active. Partnerships, alliances, bring emotional problems. Danger: June 26-July 12; Oct. 17-30.

Tomorrow.

Good for relations between employer and employed; get together.

Do you want an individual interpretation for your own personal date? Send 10c for your 1941 horoscope to WYNN, Tribune Astrologer, 286 Fifth Avenue, New York, N. Y. Write plainly your name, date of birth, and address.
