## Your Stars Today

By WYNN

Monday, Aug. 4.

Morning hours today tempt us to take the easy way, rather than the way that will lead to the right results in the long run. But there is a good side to it: If we are practical concerning the new ideas we get. Evening: Avoid all risks.

Your Year Ahead.

Your year ahead. If born on this date, brings distant contacts, much activity; best results in work from cooperation with associates, elders; strong year for benefit from friends. Danger: Jan. 24-Feb. 4; June 18-July 2.

Tomorrow.

Don't leap at the first bait that is offered; take time to be sure.

Do you want an individual interpretation of your own personal date? Send 10c for 1942 horoscope, 5c for balance of 1941—15c for both—to Wynne. Tribune astrologer. 286 5th avenue, New York, N. Y.
