**Read What A Week's Trial Will Do for**

**GASTRIC ATTACKS | TOO SLOW DIGESTION | DIZZY SPELLS | SPELLS OF FEELING BAD | DUE TO CONSTIPATION**

Our 10c week's trial is more than enough to prove their value in spells of this kind.

O-M TABLETS act directly to relieve the cause of gastric attacks, dizziness, ill effects of too slow digestion due to costive stagnation, with its slow kidney and stomach poisoning. If you want something genuine, try O-M TABLETS.

One letter says: "Your tablets are the only positive relief I've found for my trouble." THIS MAN STARTED WITH A WEEK'S TRIAL. THEY GET RESULTS WITH O-M TABLETS.

THESE TABLETS quickly relieve intermittent lumpy or sore feeling in the stomach due to a costive system and act to build up a costive-slowed digestion. This effect in the stomach is wonderful—SEE HOW QUICKLY THEY RELIEVE DIGESTIVE AND GAS TROUBLE AND GIVE YOUR STOMACH A FEELING OF EASE AND COMFORT.

THESE OLD MISSION TABLETS also contain one of the latest and believed to be one of the greatest of all herb constipation medicines. A costive or recurring constipated disorder weakens the stomach, causes spells of feeling bad—the liver and kidneys are often

affected—the blood, cells and system cannot assimilate or make use of undigested food.

REMEMBER—If food remains undigested longer than four to six hours due to recurring costiveness or spells of constipation, it may mean sluggish liver, gastric attacks, headaches, dizziness and gas pressure palpitation. MANY SPELLS OF FEELING BAD ARE CAUSED BY TOO SLOW DIGESTION.

You can often relieve the cause of these many related complaints with even a sample of O-M TABLETS and you are not asked to diet when you take them. In O-M TABLETS you get what many other medicine lacks. Here is a chance to try these fine old tablets and at small cost. Our 10c Week's Trial is considered a fair trial.

**WEEK'S TRIAL—10c**

Send this notice with 10c to Old Mission Tablet Company, Pasadena 1, Calif., and they will send you a good week's trial. This trial is often sufficient to relieve every trace of palpitation due to gas pressure caused by TOO SLOW DIGESTION or a costive, constipated condition. This sample will prove their value in all of these complaints. . . . TRY THEM. RECOMMENDED BY DRUGGISTS. Two sizes. Just follow directions.
