ASTROLOGICAL FORECAST

BY CARROLL RIGHTER

SATURDAY, OCT. 13

ARIES (March 21 to April 19): The full focus of influence is on others, and their powerful effect on your life. Try to find a meeting place of minds, and use this force wisely.

TAURUS (April 20 to May 20): Charitably aiding those in distress brings you an excellent new chance to get your own affairs on a better, more appreciated basis. Be exacting.

GEMINI (May 21 to June 21): Form every possible new friendship this beautiful day. See and reconcile with loved ones, by forgetting past misunderstandings. Expand in all ways.

CANCER (June 22 to July 21): Just forget yourself in helpfulness to superiors, influential persons today. Your own adverse influences are then replaced by favors extended to you.

LEO (July 22 to Aug. 21): Communications, visits from important men, traveling to see others, discussions of your fondest desires and new attitudes, all bring you success.

VIRGO (Aug. 22 to Sept. 22): You are on the verge of making a lot of money, so get busy with joint financial arrangements that will open doors for YOUR abundance to enter.

LIBRA (Sept. 23 to Oct. 22): What a day for you to work out all problems with associates, opponents; those you regard as partners. Discuss, settle, reconcile ALL points of difference.

SCORPIO (Oct. 23 to Nov. 21): Behind-the-scenes activity in both uncovering motives of other persons and also in handling daily tasks, is very important. Plan far in the future.

SAGITTARIUS (Nov. 22 to Dec. 21): This is your day to definitely cement new plans where both achievements and friendships are concerned. Co-operate in a charming manner.

CAPRICORN (Dec. 22 to Jan. 20): You need to use utmost care in protecting your credit and reputation; the esteem of superiors, government, family. Take NO chances; be legal.

AQUARIUS (Jan. 21 to Feb. 19): Splendid daytime for you to use your fine mind in discussing, arranging the future. P.M. brings nervous upset unless you remain calm, objective, polite.

PISCES (Feb. 20 to March 20): New approach to financial situations, where your own earning power OR joint money matters are concerned, is most important. Plan a practical future.

IF YOUR CHILD IS BORN TODAY . . . Much success is certainly possible for today's child. The greatest amount of activity is centered in and about other persons, and the need for establishing human relationships on precisely the right basis. Other individuals are able to make or break this nature, wherein there lies a great desire to co-operate with people, and simultaneously a powerful urge to pioneer. Early training in getting along with the other fellow and the rest of this world solves many problems, brings much ability and success to the fore.
