HOROSCOPE

SATURDAY, JAN. 7

GENERAL TENDENCIES—Forget fun this week-end. Make a point to delve deeply into all financial and emotional deals with others. See that you perform your own part of all joint ventures with care and special consideration for what the other fellow expects. You have it in your power now to channel great deal of energy wisely.

ARIES [Birthdays from March 21 to April 19]—Stick to tasks before you with unwavering effort. Avoid outside urging to do otherwise. Guard finances and close personal affairs.

TAURUS [April 20 to May 20]—Abiding by past commitments will show others the extent of your reliability, and give them chance to realize that you can take the good with the bad. Then they will aid.

GEMINI [May 21 to June 21]—The many duties that await you lead you toward inclination of overanxiety, tension. Perform task in an affable, careful manner and all will be well. Avoid any missteps.

CANCER [June 22 to July 21]—Your desire to get off to places of pleasure can be harmful if you yield. Carefully determine just what your necessary chores are, attend to them or you lose face with others.

LEO [July 22 to Aug. 21]—You feel as tho you must pour out wrath of displeasure at home but you would be far better off to direct your energy toward more productive, pleasant relationship with clan.

VIRGO [Aug. 22 to Sept. 22]—Early assume an attitude of congeniality as well as caution, for there is a tendency today toward accidents or arguments that can cause great harm. Awareness will help.

LIBRA [Sept. 23 to Oct. 22]—This is a good day to see to the needs of

material possessions and to attend to whatever is necessary to enhance their value. Wisely listen to advice of those wanting to help.

SCORPIO [Oct. 23 to Nov. 21]—You awake feeling as if you can conquer the world. This is good, but you must be sure to release your energy along constructive, worthwhile lines.

SAGITTARIUS [Nov. 22 to Dec. 21]—You have been bothered by feeling of discontentment with things as they are. In order to overcome, you must accept situations and work with them accordingly.

CAPRICORN [Dec. 22 to Jan. 20]—Letting others see that you maintain your high aims and work hard to achieve them brings unexpected help and support from sources close to you.

AQUARIUS [Jan. 21 to Feb. 19]—It is wise now to let others see that you have not forgotten duties but at the same time, you must not tackle any outside chores that are overbearing. Pay bills.

PISCES [Feb. 20 to March 20]—Look to brighter horizons today, then you escape from that position of getting nowhere that you are bothered with. There are many sources of release if you look for them.

IF YOUR CHILD IS BORN TODAY—Today's youngest will never back away from scrimmages with others for he is endowed with quarrelsome characteristics that can work to his advantage or disadvantage depending upon the training received during the early years. If channeled constructively, this vim and vigour will allow your boy or girl to reach fine measure of success in any vocation where it is necessary to be of a forceful nature.
