Kay Harper

"When my most comfortable pair of shoes wore out, I wanted to get the same kind again," says Mrs. Harper of Queens. "However, I had bought them out of town, and I had no idea where to find the brand locally. Then I thought of the Yellow Pages. Under 'Shoes—Retail' I found a store that carried the brand. And they had exactly the size and style I wanted."

P.S. Know what the special delivery fee is on a first-class letter? It isn't necessary to remember—you'll find helpful postal information in front of the Yellow Pages, the first place to look... for anything.
