COLOR MAKES SENSE

Here's why RCA Victor Color TV makes sense!

- It's 2 sets in 1—receives both color and black & white on the same big 21" screen.
- You can tune color by Wireless Remote Control anywhere in the room. A touch of the button changes volume, adjusts picture, changes stations, turns the set off. (Only RCA Remote turns off both picture and set.)
- Mural 21" Color TV has been built into your living room or den wall.
- Color TV has achieved a standard of performance, dependability and simplicity of operation that all parts, including the picture tube, are warranted for 1 full year at no charge.
- Virtually all the big shows are in color: World Series, Perry Como, Dinah Shore, Art Carney, Gene Kelly, Jerry Lewis, Fred Astaire, NCAA Football, Army-Navy Game, etc. The Moon & Sixpence starring Sir Laurence Olivier and Helen Hayes plus the NBC Opera and 150 Spectaculars are scheduled.
- Your authorized RCA Victor Dealer will give you up to \$200 for your old TV when you trade for a new color set. Terms can be arranged for as little as \$3 per week.
- You can try a Color TV Weekend with our compliments. We'll arrange for delivery, setup and pickup at no cost or obligation to you.
- You can see the difference Color makes in your home. Write Bruno-New York, Inc., Color TV Dept., 460 W. 34th St., New York City 1 or call LOngaere 4-2424 Monday through Friday.
