Here's why RCA Victor Color TV makes sense!

1 It's 2 sets in 1-receives both color and black & white on the same big 21"* screen. **2** You can tune color by Wireless Remote Control anywhere in the room. A touch of the button changes volume, adjusts picture, changes stations, turns the set off. (Only RCA Remote turns off both picture and set.) 3 Mural 21"* Color TV can be built into your living room or den wall. 4 Color TV has achieved a standard of performance, dependability and simplicity of operation that all parts, including the picture tube, are warranteed for 1 full year at no charge. **5** Virtually all the big shows are in color: World Series, Perry Como, Dinah Shore, Art Carney, Gene Kelly, Jerry Lewis, Fred Astaire, NCAA Football, Army-Navy Game, etc. The Moon & Sixpence starring Laurence Olivier plus the NBC Opera and 200 "Specials" are scheduled. 6 Your authorized RCA Victor Dealer will give you up to \$200 for your old TV when you trade for a new color set. Terms can be arranged for as little as \$3 per week. 7 You can try a Color TV Weekend with our compliments. We'll arrange for delivery, setup and pickup at no cost or obligation to you. 8 You can see the difference Color makes in your home.
