CANCER [June 22 to July 21]—You have now arrived at a period when you are able to take a good look at material gains and to determine what can be done to expand resources and make life more worth living.

LEO [July 22 to Aug. 21]—You have fine opportunity to determine just where you stand, what results you have produced so far, and to visualize any improvements that can be made. Prepare yourself, then act.

VIRGO [Aug. 22 to Sept. 21]—Too much attention to detail may be the cause of bogged down operations. Keep final goal in mind; enlarge your scope, act bigger.
